6. MAINTENANCE

To maintain the appearance and longevity of your nightstand:

- Wipe with a dry cloth regularly to remove dust.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- Keep the nightstand away from direct sunlight and excessive moisture.

7. TROUBLESHOOTING

If you encounter any issues with your Homary Smart Nightstand, please refer to the following common solutions:

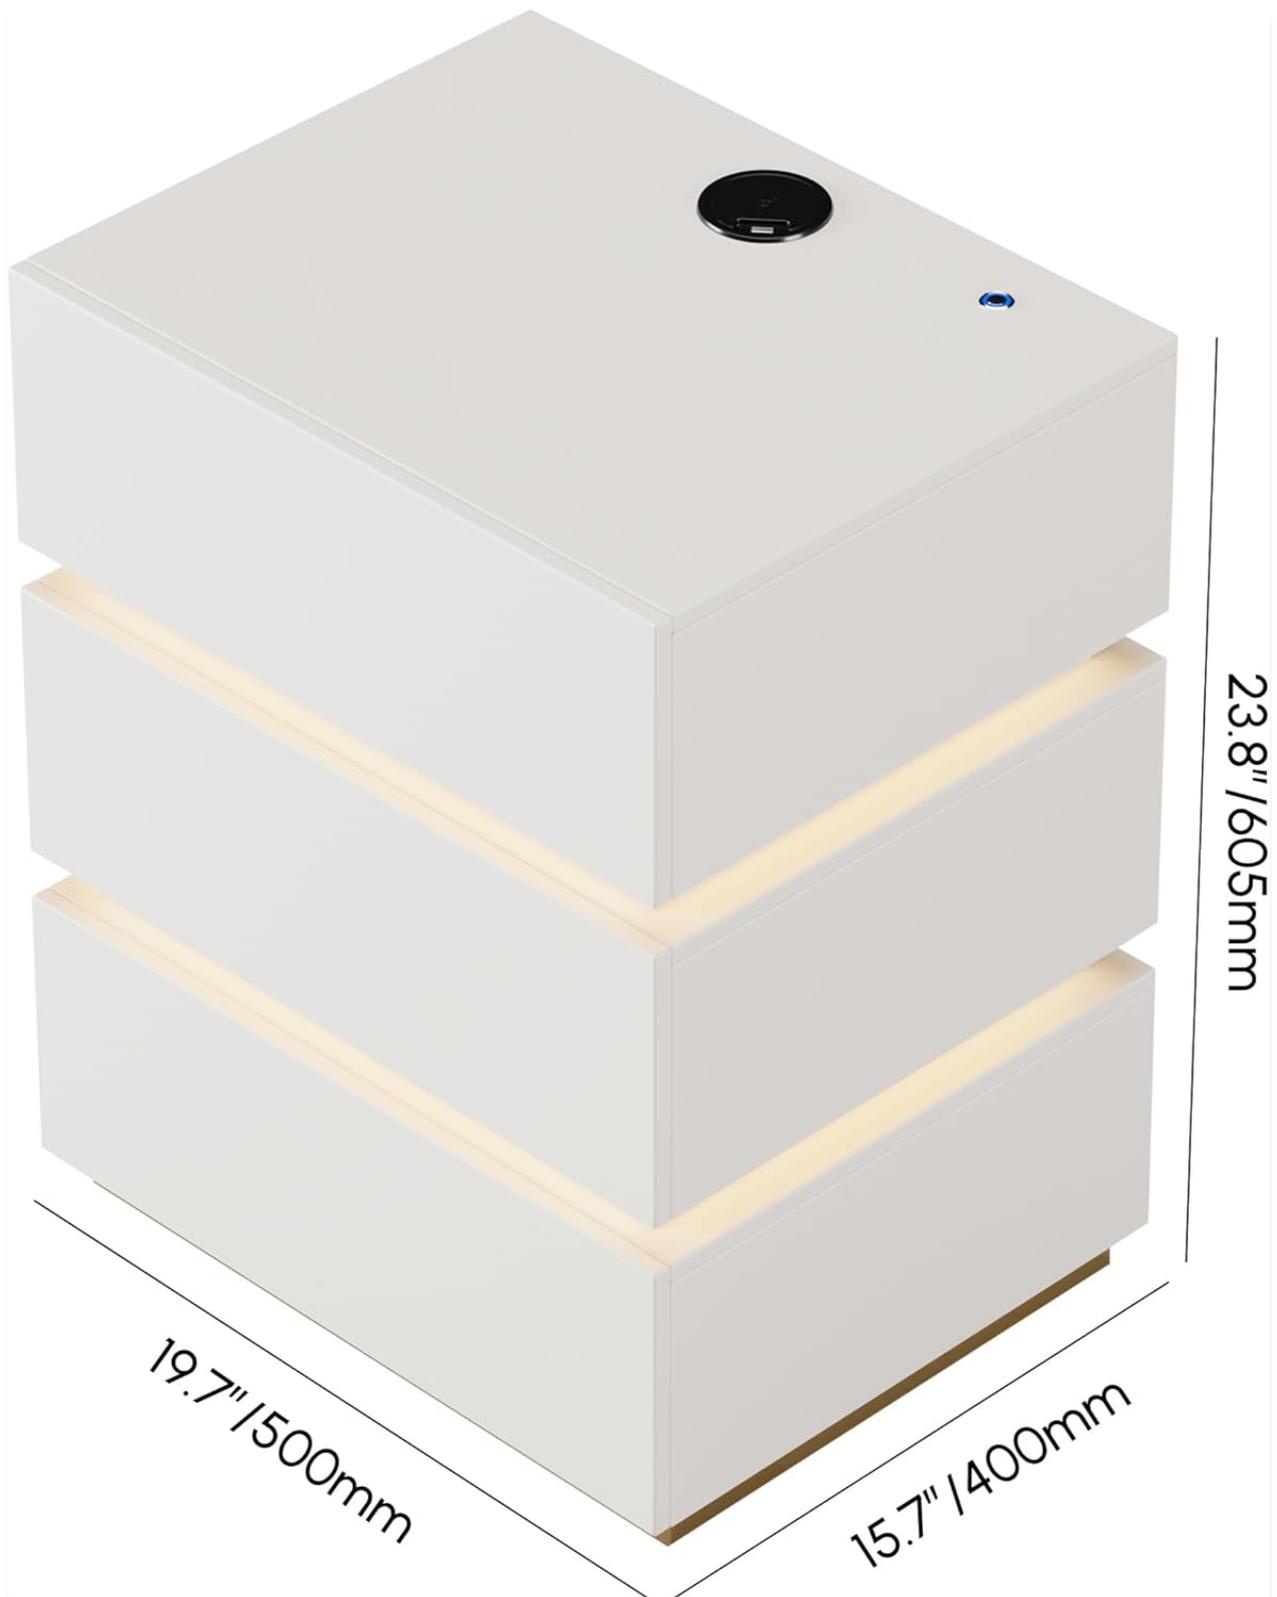

- **No Power:** Ensure the power cord is securely plugged into both the nightstand and a working wall outlet. Check if the outlet is active.
- **Wireless Charging Not Working:** Verify that your device is Qi-compatible and correctly centered on the

charging pad. Remove any thick phone cases that might interfere with charging.

- **USB/Type-C Ports Not Charging:** Check the connection of your charging cable to both the device and the nightstand port. Try a different cable or device to isolate the issue.
- **LED Light Not Responding:** Ensure the nightstand is powered on. If using the remote, check its battery. Try adjusting brightness or color directly from the nightstand's button.
- **Drawers Sticking:** Ensure the drawer slides are clean and free of obstructions. Avoid overloading drawers beyond the recommended weight capacity.
