## Merax B0FRSLPJ5J

# Merax Queen Size Murphy Bed with L-Shaped Sofa and Storage Shelves Instruction Manual

Model: B0FRSLPJ5J | Brand: Merax

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Merax Queen Size Murphy Bed with L-Shaped Sofa and Storage Shelves. Please read thoroughly before beginning assembly or use to ensure safe and correct installation and functionality.

## SAFETY INFORMATION

---

- Ensure all parts are present and undamaged before beginning assembly.
- Do not exceed the maximum weight recommendation of **600 lbs** for the bed.
- Follow all assembly instructions carefully and precisely to prevent instability or collapse. Improper assembly can lead to serious injury.
- Always ensure the bed is fully locked in either the open or closed position before use.
- Keep children and pets away from the unit during operation (folding/unfolding).
- This product is designed for use with an 8"-10" thick queen-size mattress. Using a mattress outside this range may affect operation and safety.

## SETUP (ASSEMBLY INSTRUCTIONS)

---

Full assembly of the Merax Queen Size Murphy Bed is required. All necessary parts, tools, and detailed instructions are included in the package. Please note that the complete set will arrive in **4 separate boxes**, which may not be delivered simultaneously. Ensure all boxes are received and all components are accounted for before commencing assembly.

Follow the provided step-by-step instructions patiently and carefully. It is recommended to have at least two adults for assembly due to the size and weight of the components. Proper installation is crucial for the safety and functionality of the bed.

## OPERATING INSTRUCTIONS

---

### Deploying the Bed

1. Ensure the area in front of the Murphy bed is clear of obstructions, including the L-shaped sofa.
2. Locate the handle on the front panel of the Murphy bed cabinet.
3. Gently pull the handle and guide the bed frame downwards. The dual-piston metal folding system will assist in a smooth, controlled descent.
4. Continue lowering until the bed frame is fully extended and the support legs are securely locked into their open position.
5. Verify that the mattress (not included) is properly seated on the wooden slats.

## Retracting the Bed

1. Remove all bedding and pillows from the bed surface.
2. Grasp the bed frame and gently lift it upwards. The dual-piston system will assist in lifting the bed.
3. As the bed rises, ensure the support legs fold back into their designated housing.
4. Continue guiding the bed upwards until it securely locks into the cabinet, returning to its vertical, stored position.

## Using the L-Shaped Sofa

The integrated L-shaped sofa is designed for comfortable daily use. Ensure the Murphy bed is fully retracted and securely locked in its upright position before using the sofa. The sofa provides seating for three individuals and features a Teddy Velvet upholstery for enhanced comfort.

## MAINTENANCE

---

- **Regular Inspection:** Periodically inspect all screws, bolts, and connections to ensure they remain tight. Tighten any loose fasteners as needed to maintain structural integrity.
- **Cleaning Wooden Surfaces:** Clean the engineered wood surfaces with a soft, slightly damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, which can damage the finish.
- **Cleaning Sofa Upholstery:** For the Teddy Velvet sofa, spot clean spills immediately with a clean, dry cloth. For more stubborn stains, use a mild fabric cleaner specifically designed for velvet, testing on an inconspicuous area first. Do not saturate the fabric.
- **Mechanism Care:** The dual-piston mechanism is designed for durability. Avoid applying lubricants unless specifically instructed by the manufacturer, as this could interfere with its operation.

## TROUBLESHOOTING

---

- **Bed Not Operating Smoothly:** If the bed mechanism feels stiff or does not move smoothly, first check for any obstructions around the bed frame or within the cabinet. Ensure all assembly steps were followed correctly and

all fasteners are tight.

- **Missing Parts:** If you discover any missing parts upon delivery, please contact customer support immediately. Provide your model number (B0FRSLPJ5J) and a detailed description of the missing components.
- **Squeaking Noises:** Minor squeaking can occur over time. Check and tighten all visible screws and bolts. Ensure the mattress is properly positioned and not causing friction against the frame.
- **Bed Not Staying Closed/Open:** Verify that the locking mechanisms are engaging correctly. Ensure the bed is fully pushed into the cabinet when retracted, and the support legs are fully extended and locked when deployed.

## SPECIFICATIONS

---

Feature	Detail
Product Type	Murphy Bed with L-Shaped Sofa and Storage Shelves
Model Number	B0FRSLPJ5J
Size	Queen/Sofa
Material	Engineered Wood
Product Dimensions (As Bed)	102.3"L x 86.2"W x 98.8"H
