> AJAZZ No-Drill Room Divider Curtain with Adjustable Tension Rods (Cream White, 100"W x 84"L, 2 Panels) - Instruction Manual

## AJAZZ B0FRXGDSZZ

# AJAZZ No-Drill Room Divider Curtain with Adjustable Tension Rods

MODEL: B0FRXGDSZZ (CREAM WHITE, 100"W x 84"L, 2 PANELS)

Instruction Manual

## Introduction

The AJAZZ No-Drill Room Divider Curtain system provides a versatile and non-permanent solution for creating private spaces or dividing rooms. Ideal for apartments, dorms, offices, or any area requiring flexible partitioning, this system features 100% blackout curtains and adjustable tension rods that install without the need for drilling or tools. The dense triple-weave fabric also contributes to sound dampening, enhancing comfort and focus.

## Setup Instructions

Follow these steps for a quick and easy installation of your AJAZZ Room Divider Curtain.

### 1. Unpack and Identify Components

Carefully unpack all items from the box and lay them out. Refer to the parts diagram to identify each component.

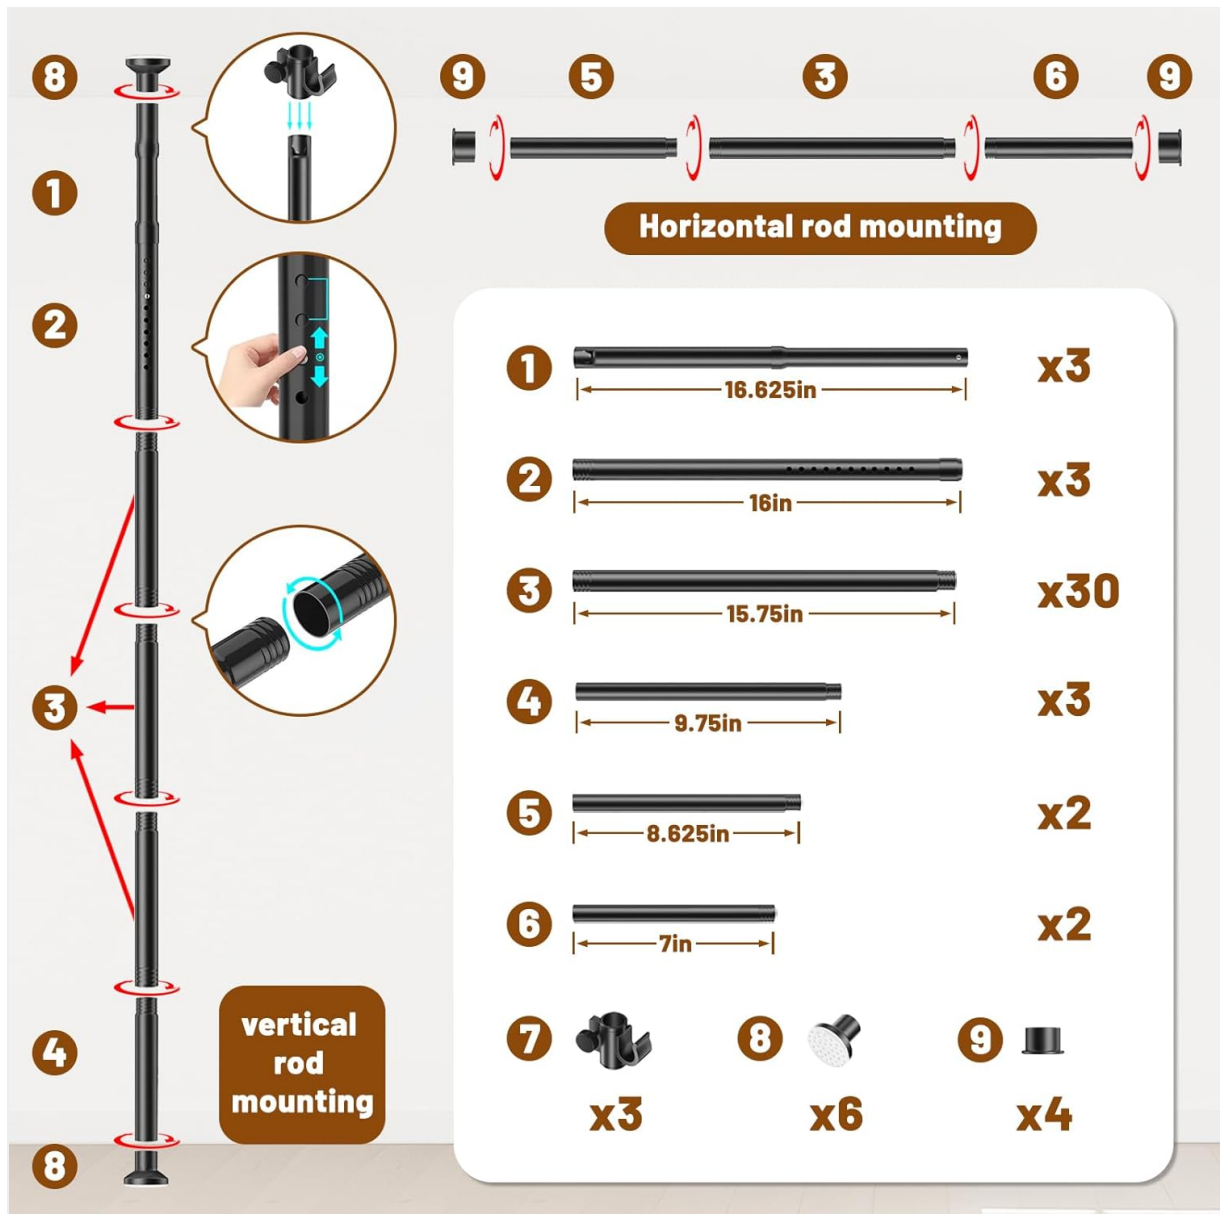

Figure 1: Detailed diagram of all included components for assembly.

## 2. Assemble Vertical Poles

1. Connect the vertical pole sections by twisting them together until secure. Ensure the end caps are attached to both ends of the assembled vertical poles.
2. Adjust the height of the vertical poles to fit your ceiling by pressing the metal button and extending the inner rod. The reinforced spring design ensures a firm and stable fit.

# Thickened! Reinforced!

## Strong Load-Bearing capacity

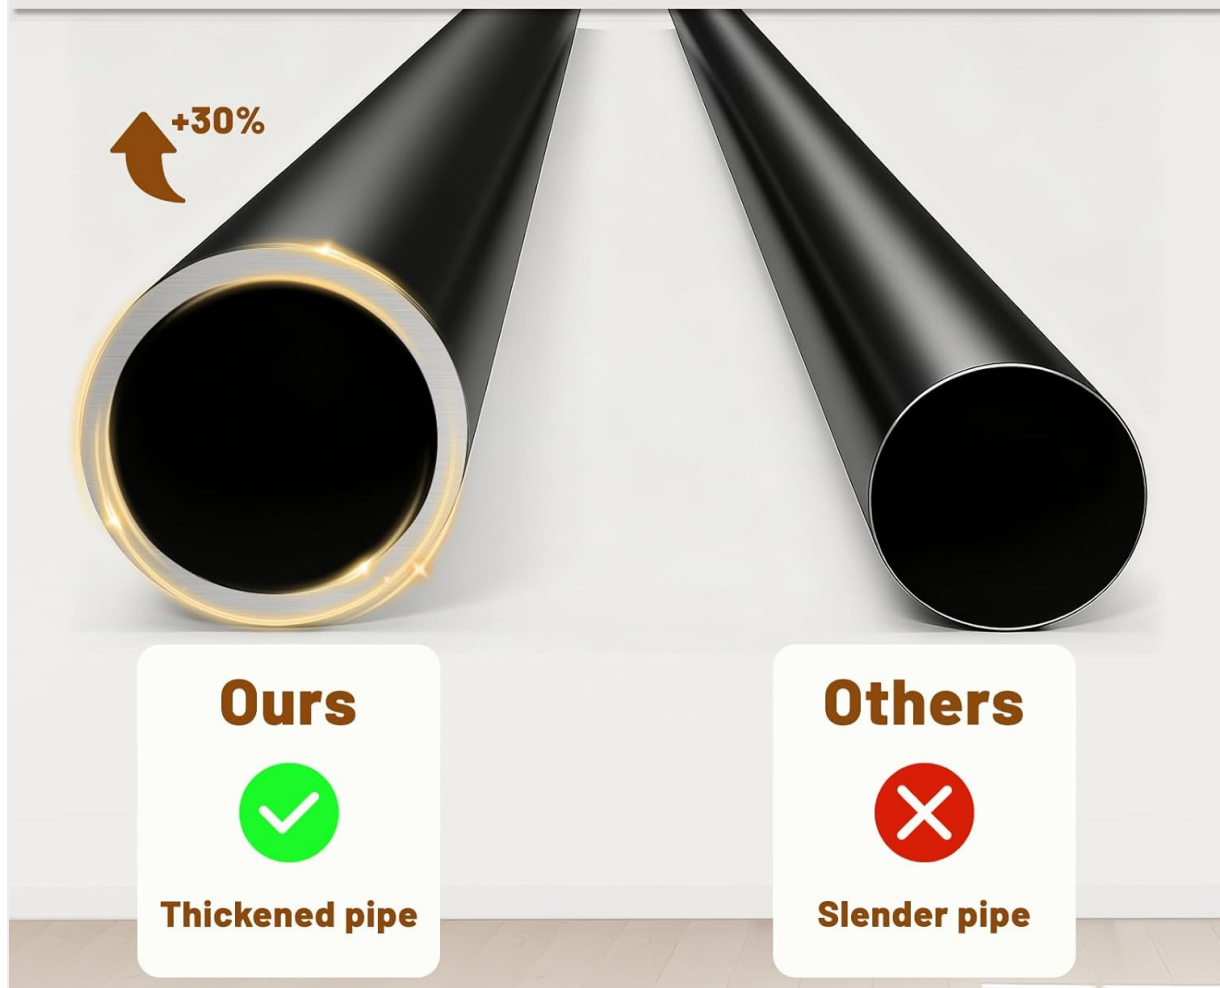

Figure 2: Illustration of the thickened and reinforced vertical pole for enhanced stability.

### 3. Attach Horizontal Rods and Curtains

1. Assemble the horizontal rods by twisting the sections together.
2. Slide the curtain rings onto the horizontal rod. The curtains come with pre-installed hooks for easy attachment to the rings.
3. Attach the horizontal rod to the vertical poles using the provided connectors. Tighten the screws on the connectors to secure the horizontal rod at your desired height.

# Upgraded & Reinforced Stable & Secure

## Operating Instructions

The AJAZZ Room Divider Curtain is designed for effortless operation.

### 1. Opening and Closing the Curtains

Gently slide the curtains along the horizontal rod to open or close them. The durable grommets ensure smooth movement.

### 2. Using Magnetic Fasteners

The curtains are equipped with magnetic fasteners that allow them to securely attach to the vertical poles when fully extended, preventing gaps and swaying. Simply align the magnetic edges with the pole to engage.

### 3. Multi-Purpose Usage

Utilize the room divider to create privacy in bedrooms, define office spaces, conceal storage areas, or as a backdrop for various activities.

## Multi purpose Usage

## Maintenance

To maintain the quality and appearance of your AJAZZ Room Divider Curtain:

- **Cleaning:** The curtains are made by high-temperature pressing and wrinkling, ensuring no wrinkles. For cleaning, simply hand wash or wipe with a damp cloth.
- **Avoid Bleach:** Do not use chlorine bleach.
- **Drying:** Hang dry. Do not machine wash or tumble dry.

## Troubleshooting

- **Curtain not stable:** Ensure all vertical and horizontal pole connections are tightly twisted and the tension mechanism is fully engaged against the ceiling and floor.
- **Gaps between curtains and poles:** Verify that the magnetic fasteners are properly aligned and attached to the vertical poles.
- **Difficulty sliding curtains:** Check that the curtain rings are correctly inserted into the horizontal rod and that no fabric is snagged.
