SAFETY INFORMATION

- Always unplug and allow appliances to cool before placing them in the cabinet.
- Do not overload the cabinet.
- Assemble on a flat, stable surface.
- Wear appropriate safety gear during assembly.
- Keep away from heat sources and liquids.

PACKAGE CONTENTS

The package includes the 39-inch Modern Fluted Hollowed Out Sideboard Cabinet, all necessary hardware, and assembly tools. Please verify all components are present before beginning assembly.

- Cabinet panels and doors

- Assembly hardware (screws, dowels, cam locks, etc.)
- Assembly tools (e.g., Allen wrench)
- Instruction manual

SETUP AND ASSEMBLY

The cabinet comes with all necessary hardware and tools, with clearly labeled parts. Assembly is designed to be quick and easy. For best results, assemble on a flat surface and follow the included instructions carefully. The labeled parts and tools make the process simple and efficient.

Figure 4: Detail of the back panel with integrated outlet holes.

Assembly Steps:

1. Unpack all components and verify against the parts list.
2. Identify the side panels, top, bottom, and back panels.
3. Attach cam locks and dowels to the designated holes on the panels as per the included diagram.
4. Connect the side panels to the bottom panel, ensuring a secure fit.
5. Insert the fixed shelf into its grooves.
6. Attach the top panel.
7. Secure the back panels using the provided fasteners.
8. Install the door hinges onto the doors and the cabinet frame.
9. Mount the doors onto the hinges, ensuring they open and close smoothly.
10. Make any necessary adjustments to door alignment using the hinge screws.

OPERATING INSTRUCTIONS

The KEIKI Sideboard Cabinet features two doors that open to reveal internal storage compartments. The cabinet is equipped with two outlet holes at the rear to facilitate the placement of small appliances.

- **Opening and Closing Doors:** Gently pull the door handles to open. Push the doors firmly until they close securely.
- **Using Outlet Holes:** Position appliances such as coffee makers or charging devices inside the cabinet. Route their power cords through the two pre-drilled outlet holes located on the back panel to connect to wall outlets.

Figure 6: Example of items stored within the cabinet's compartments.

MAINTENANCE

To maintain the appearance and longevity of your cabinet, wipe clean with a soft, lint-free cloth and water. Avoid abrasive cleaners or harsh chemicals that may damage the finish.

TROUBLESHOOTING

Door Alignment Issues: If doors do not align correctly after assembly, check that all hinges are securely fastened and adjusted. Minor adjustments to hinge screws can often resolve alignment discrepancies. Ensure the cabinet is placed on a level surface.

SPECIFICATIONS

Brand	KEIKI
-------	-------

Model Number	YH0006073
Color	Black
