

VINGLI B0FRZ3LCH9

VINGLI Full Loft Bed with USB Charging Station and LED
Instruction Manual

INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your VINGLI Full Loft Bed. Please read all instructions carefully before assembly and use to ensure proper function and safety.

SAFETY INFORMATION

Adherence to these safety guidelines is crucial for preventing injury and ensuring the longevity of your loft bed.

- Always assemble the bed according to the provided instructions.
- Do not exceed the maximum weight limit of 400 lbs for the upper bunk.
- Keep the 15-inch heightened guardrails in place at all times to prevent accidental falls.
- Use the anti-slip ladder for safe and convenient access to the upper bunk.
- Never leave young children unattended on the upper bunk.
- Ensure all connections are securely tightened before use and periodically check for looseness.
- Only use a mattress that meets the recommended dimensions to ensure proper guardrail effectiveness.

SETUP AND ASSEMBLY

The VINGLI Full Loft Bed is designed for straightforward assembly. It is recommended that two adults assemble the bed to ensure stability and safety during the process.

Components Overview

Before beginning assembly, verify that all parts are present and undamaged. Refer to the parts list included in your packaging.

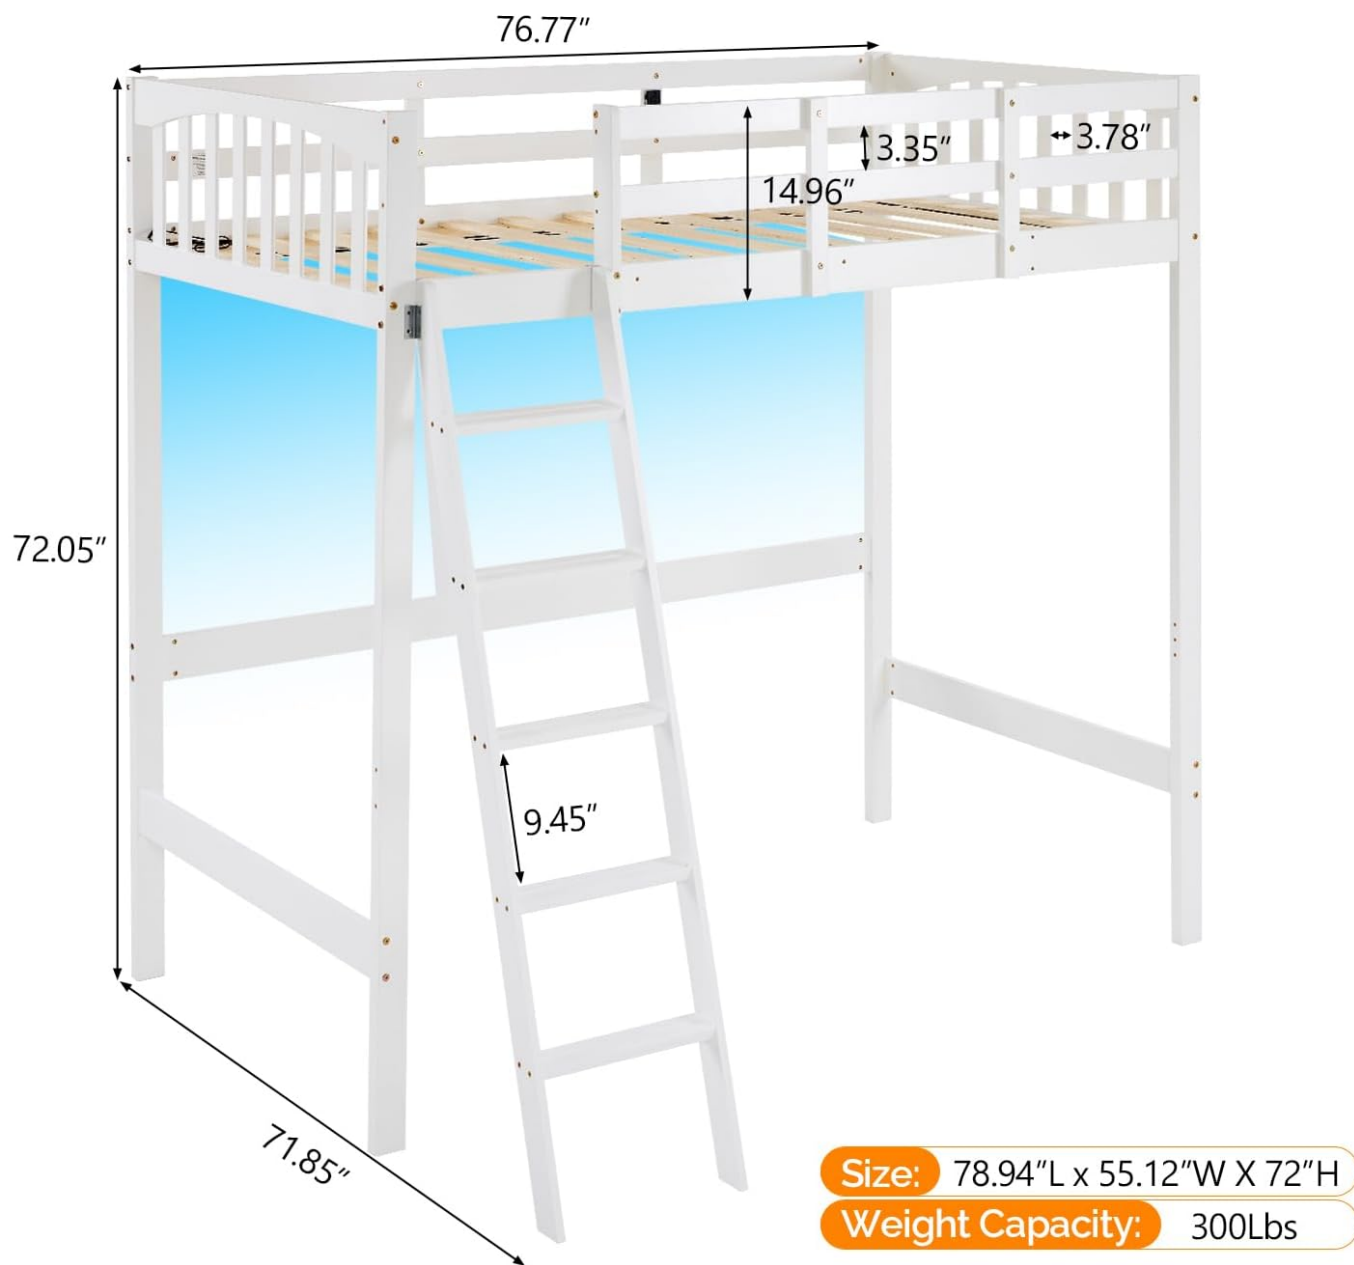

Image: Dimensions of the VINGLI Full Loft Bed.

Assembly Steps

Follow the step-by-step instructions provided in your product packaging. Ensure all bolts and screws are tightened securely. The bed features solid pine wood construction and wood slat support, eliminating the need for a box spring.

OPERATING INSTRUCTIONS

Utilizing the Space-Saving Design

The loft bed design maximizes vertical space, creating a versatile area underneath the bed. This 57.09-inch high space can be used for a desk, shelving, storage solutions, or a cozy reading nook.

Loft Bed

Creates ample floor space beneath for a study desk, Storage solutions, or even a cozy reading corner.

USB Charging Station

The integrated charging station provides convenient access to power. It includes 2 USB ports (5V/2.1A) and a 5.2-foot power cord, allowing you to charge devices without leaving the bed.

Ladder Access

The anti-slip ladder is designed for safe and easy access to the upper bunk. Ensure the ladder is stable before climbing. The ladder can be installed to ensure easy and convenient access to the upper bunk.

Anti-slip stair design

Climb up and down freely, as if walking on flat ground

MAINTENANCE

Regular maintenance will help preserve the appearance and structural integrity of your VINGLI Loft Bed.

- **Cleaning:** Wipe down the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Tightening:** Periodically check all bolts and screws and tighten them as needed to maintain stability.
- **Inspection:** Inspect the bed frame, guardrails, and ladder for any signs of wear, damage, or loose components. Address any issues promptly.

TROUBLESHOOTING

If you encounter any issues with your VINGLI Loft Bed, refer to the following common solutions:

- **Bed feels wobbly:** Ensure all assembly hardware is fully tightened. Check that the bed is placed on a level surface.
- **Ladder steps uncomfortable:** Consider adding foam padding or non-slip strips to the ladder rungs for increased comfort and grip.
- **Mattress does not fit:** Verify that your mattress thickness is appropriate for a loft bed with guardrails. A thinner mattress (e.g., 5 inches) is often recommended to maximize guardrail height.
- **Missing parts or damaged components:** Contact VINGLI customer support immediately for assistance.

SPECIFICATIONS

Feature	Detail
Style	No desk and drawers
Size	Full
Special Feature	15 inches Guardrail
Color	Led White
Upholstery Fabric Type	Pine Wood
Brand Name	VINGLI
Included Components	15 Inches Extra Tall Guardrail
Age Range Description	Teen
Item Dimensions L x W x H	79.1"L x 55.1"W x 73.23"H
Item Weight	87 Pounds
Required Assembly	Yes
Warranty Type	Limited
Furniture Finish	White
Frame Material Type	Wood
Maximum Weight Recommendation	400 Pounds
