

80x40cm (ASIN: B0FS16VDV1)

Generic Mobile Adjustable Height Standing Desk with Wheels

Model: 80x40cm (ASIN: B0FS16VDV1) | Brand: Generic

INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your Generic Mobile Adjustable Height Standing Desk. Designed for versatility and convenience, this desk features adjustable height, durable construction, and mobile wheels, making it suitable for various uses such as a laptop workstation, bedside table, or sofa side table.

SETUP AND ASSEMBLY

The Generic Mobile Adjustable Height Standing Desk is designed for straightforward assembly, typically taking about 15 minutes without requiring additional tools. Please follow these general steps:

- Unpack Components:** Carefully remove all parts from the packaging and verify against the included parts list (not provided in this manual, refer to product packaging).
- Assemble Frame:** Connect the metal frame components according to the diagrams. Ensure all connections are secure.
- Attach Wheels:** Secure the four 360° swivel wheels to the base of the frame. Ensure they are firmly attached and can rotate freely.
- Install Shelves:** Place the storage shelves onto the designated frame supports.
- Mount Tabletop:** Attach the MDF tabletop to the adjustable height mechanisms on the frame.
- Final Check:** Ensure all screws and fasteners are tightened, and the desk is stable before use.

OPERATING INSTRUCTIONS

Height Adjustment

The desk's height can be adjusted from 60 cm to 90 cm to suit various needs and preferences. To adjust the height:

1. Locate the adjustment knobs on the vertical support poles.
2. Loosen the knobs by turning them counter-clockwise.
3. Carefully raise or lower the tabletop to your desired height.
4. Tighten the knobs by turning them clockwise until the tabletop is securely locked in place. Ensure both sides are adjusted to the same height for stability.

Mobility and Locking Wheels

The desk is equipped with four 360° swivel wheels for easy movement. Each wheel has a locking mechanism to ensure stability when the desk is in use.

- **To Move:** Ensure all wheel locks are disengaged. Gently push the desk to its desired location.
- **To Lock:** Once the desk is in position, press down on the lever or tab on each wheel to engage the lock. This will prevent the desk from rolling.
- **To Unlock:** Lift the lever or tab on each wheel to disengage the lock, allowing the desk to move freely again.

Storage Shelves

The desk includes multi-layered storage shelves designed to hold books, documents, or other small items, helping to keep your workspace organized.

Multi-layered Storage Large Storage Space

MAINTENANCE

To ensure the longevity and appearance of your desk, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the MDF tabletop.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.
- **Wheels:** Keep the wheels free of debris to ensure smooth movement. Lubricate if necessary.
- **Weight Capacity:** Do not overload the tabletop or shelves beyond their intended weight capacity to prevent damage or instability.

TROUBLESHOOTING

If you encounter issues with your desk, refer to the following common solutions:

- **Desk is Unstable/Wobbly:**

- Ensure all assembly screws and height adjustment knobs are fully tightened.
- Verify that the desk is on a flat, even surface.

- **Wheels Not Rolling Smoothly:**

- Check for any debris (hair, dust, etc.) caught in the wheels and remove it.
- Ensure the wheel locks are fully disengaged.

- **Difficulty Adjusting Height:**

- Loosen the adjustment knobs sufficiently before attempting to change height.
- Ensure no objects are obstructing the adjustment mechanism.

SPECIFICATIONS

Feature	Detail
Brand	Generic
Model	80x40cm (ASIN: B0FS16VDV1)
Material	Durable MDF and Robust Metal Frame
