LOMMOL JS01-01

LOMMOL Cool Mist Humidifier

MODEL: JS01-01

1. Important Safety Instructions

Please read and save these instructions before operating the humidifier. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Always place the humidifier on a firm, flat, and level surface.
- Do not place the humidifier near heat sources such as stoves, radiators, or direct sunlight.
- Do not use the humidifier in areas with high humidity, such as bathrooms, to avoid electrical hazards.
- Unplug the humidifier from the power outlet before filling, cleaning, or moving.
- Do not add essential oils directly into the water tank. Use the designated aromatherapy tray only.
- Keep out of reach of children and pets.
- Use only clean, distilled water to prevent mineral buildup and ensure optimal performance.
- Avoid placing the humidifier in corners of the room to prevent condensation buildup.

2. Product Overview

The LOMMOL JS01-01 Cool Mist Humidifier is designed to provide optimal humidity for large rooms up to 550 sq ft. It features a 9-liter (2.4-gallon) integrated water tank, ensuring long runtime and easy top-fill access.

Key Features:

- **Large Capacity:** 9L (2.4Gal) water tank for up to 60 hours of continuous operation.
- **Top-Fill Design:** Easy and mess-free refilling and cleaning.
- **Ultrasonic Mist:** Generates 5μm ultrafine mist with 1.7MHz high-frequency atomization for quick and even distribution.
- **Adjustable Mist Levels:** Four speed options (150ml/h, 180ml/h, 220ml/h, 300ml/h).
- **Smart Humidity Control:** Customizable humidity range from 40%-90% (adjustable by 5% per touch) with a humidistat sensor and auto-off/restart function.
- **Quiet Operation:** Noise levels below 35dB for an undisturbed environment.
- **Sleep Mode:** Automatically turns off all lights for total darkness.

- **24-Hour Timer:** Set runtime from 1 to 24 hours.
- **Aromatherapy Tray:** Built-in tray for essential oils.
- **360° Adjustable Mist Nozzle:** Direct mist wherever needed.
- **7-Color LED Light:** Ambient lighting with cycle light option.
- **UV Lamp:** Helps keep water clean.
- **Remote Control:** Convenient adjustment of settings.
- **Water Shortage Protection:** Automatic shutoff when water runs out.

3. Package Contents

Verify that all components are present in the package:

- 9L Humidifier x 1
- Cleaning Brush x 1
- Remote Control x 1
- User Manual x 1

4. Setup

1. **Place the Base:** Place the humidifier base on a stable, flat ground.
2. **Assemble Water Tank:** Align the water tank with the base buckle and snap it vertically into the base.
3. **Insert Water Filter:** Put the water filter into the bottom of the water tank.
4. **Place Main Body:** Place the main body onto the water tank, ensuring the machine and water tank are correctly connected.
5. **Fill Water Tank:** Open the top cover and fill the water tank with clean, distilled water. Do not exceed the 'MAX' line.
6. **Power On:** Plug the humidifier into a 110V power outlet. Wait 20-30 seconds for the water to pump and the device to start functioning correctly.

Figure 1: Portable Two-Fill Design. Note: Do not add water or oil to the mist outlet.

Figure 2: Easy Top-Fill and Cleaning.

5. Operation

The humidifier can be operated via the touch control panel on the device or using the included remote control.

Control Panel Functions:

- **ON/OFF:** Power the unit on or off.
- **Timer:** Set the operating time from 1 to 24 hours.
- **Customize Humidity:** Adjust desired humidity level from 40% to 90% RH.
- **Mist Volume:** Select from 4 mist output levels (Low, Medium, High, Max).
- **Sleep Mode:** Turns off all display lights for undisturbed sleep.
- **UV Lamp:** Activates the UV light for water purification.
- **Colored Light:** Choose a single color for ambient lighting.
- **Cycle Light:** Activates automatic cycling through 7 LED colors.

Aromatherapy Function:

Locate the essential oil tray at the back of the humidifier. Pull it out, add a few drops (max 4 drops) of your preferred essential oil onto the pad, and reinsert the tray. Do not add essential oils directly into the water tank.

6. Maintenance

Regular cleaning is essential for optimal performance and longevity of your humidifier.

1. **Daily Maintenance:** Empty and rinse the water tank daily. Refill with fresh, distilled water.

2. **Weekly Cleaning:**
    - Unplug the humidifier.
    - Remove the water tank and empty any remaining water.
    - Add 1 cup of white vinegar to the water tank and fill with warm water. Swirl the solution around and let it soak for 30 minutes.
    - Use the provided cleaning brush to gently scrub the inside of the tank and the ultrasonic atomizer.
    - Rinse the tank thoroughly with clean water until the vinegar smell is gone.
    - Wipe the exterior of the humidifier with a soft, damp cloth.
3. **Filter Maintenance:** The built-in stone ceramic filter does not require replacement. Clean it as part of the weekly cleaning process.
4. **Storage:** If storing the humidifier for an extended period, ensure it is completely dry and stored in a cool, dry place.

7. Troubleshooting

If you encounter any issues, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
No mist or low mist output	Low water level, mineral buildup, clogged mist nozzle	Refill water tank, clean the humidifier thoroughly, ensure nozzle is clear.
Unusual noise	Humidifier not on a level surface, water tank not properly seated	Place on a stable surface, re-seat the water tank correctly.
Water leakage	Water tank not properly installed, damaged tank	Ensure tank is securely in place, check for cracks or damage.
Display not working	Power issue, sleep mode activated	Check power connection, press Sleep Mode button to deactivate.

8. Specifications

- **Brand:** LOMMOL
- **Model Name:** JS01-01
- **Operation Mode:** Ultrasonic
- **Capacity:** 9 Liters (2.4 Gallons)
- **Maximum Mist Output:** 300mL/h
- **Coverage Area:** Up to 550 Square Feet
- **Runtime:** Up to 60 hours on a single refill
- **Noise Level:** Below 35dB
- **Humidity Control:** Adjustable from 40%-90% RH
- **Timer:** 1-24 hours
- **Voltage:** 110 Volts
- **Wattage:** 30 watts
- **Product Dimensions:** 7.4"D x 7.4"W x 26.1"H
- **Item Weight:** 5.86 pounds

9. Warranty and Support
