**Video Description:** Official Lifezone Installation Guide Video. This video provides step-by-step visual instructions for assembling the bed frame, including attaching the headboard, side rails, and slats, as well as installing the drawers and LED lights.

#### 3.2 Step-by-Step Assembly

1. **Assemble the Headboard:** Attach the wooden panels and metal frame components of the headboard as per the included manual. Ensure the charging station is correctly positioned and secured.
2. **Attach Side Rails:** Connect the side rails to the assembled headboard using the provided hardware. Do not fully tighten screws at this stage.
3. **Assemble Footboard:** Attach the footboard to the side rails.
4. **Install Support Legs and Slats:** Secure the central support legs and then place the metal slats across the frame. Ensure the rubber strips are applied to the slats to prevent noise.
5. **Final Tightening:** Once all components are in place, fully tighten all screws and bolts.
6. **Install LED Light Strip:** Carefully attach the LED light strip to the designated area on the back of the headboard. Connect it to the power source.
7. **Assemble and Insert Drawers:** Assemble the fabric storage drawers according to their instructions. Insert the assembled drawers into the designated slots under the bed frame.

## 4. OPERATING INSTRUCTIONS

### 4.1 LED Lighting

The integrated LED lights in the headboard can be controlled via the included remote control or a

smartphone app (if applicable). Use the remote to:

- Turn lights On/Off.
- Change colors (RGB options).
- Adjust brightness levels.
- Select dynamic modes (e.g., flashing, fading).
- Activate music mode (lights react to sound).
- Set a timer for automatic shut-off.

### 4.3 Storage Drawers

The bed frame includes four sliding drawers for additional storage. These drawers are designed to roll smoothly on wheels and can be used to store blankets, clothing, or other personal items, helping to keep your room organized and clutter-free.

**Image Description:** A view of the Lifezone Bed Frame from the side, showing two sliding storage drawers pulled out from underneath the bed, filled with folded clothes and other items. The drawers feature a lockable closure design.

## 5. MAINTENANCE

---

To ensure the longevity and optimal performance of your Lifezone Full Bed Frame, follow these maintenance guidelines:

- **Cleaning:** Wipe down metal surfaces with a soft, damp cloth. For the upholstered headboard, use a fabric cleaner suitable for the material. Avoid harsh chemicals.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent noise.
- **Drawer Care:** Keep the drawer tracks clean and free of debris to ensure smooth operation.
- **LED Lights:** If the LED strip becomes dirty, gently wipe it with a dry, soft cloth. Avoid getting moisture directly on the lights or electrical components.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your bed frame, refer to the following common troubleshooting tips:

- **Squeaking Noise:** Check all frame connections and ensure screws are fully tightened. The rubber strips on the slats are designed to prevent noise; ensure they are properly installed.
- **LED Lights Not Working:** Verify that the power adapter is securely plugged into both the bed frame and a working wall outlet. Check the remote control battery.
- **Charging Station Not Functioning:** Ensure the bed frame's power cord is plugged into a live outlet. Test with different devices and cables to rule out device-specific issues.
- **Drawers Sticking:** Check for any obstructions in the drawer tracks. Ensure the drawers are properly aligned on their wheels.

If problems persist after troubleshooting, please contact Lifezone customer support.
