3. SETUP AND ASSEMBLY

Assembly is required for this product. Follow the step-by-step instructions provided in the separate assembly guide included in your package. Ensure all connections are secure before use.

3.1 Unfolding the Table

The table arrives in a compact, folded state. To unfold:

1. Carefully place the folded unit on a flat, stable surface.
2. Release the magnetic catch securing the folding panel.
3. Gently extend the folding panel outwards until it is fully open and aligned with the main table surface.
4. Ensure the support leg (if applicable) is properly positioned for stability.

5. MAINTENANCE

Regular maintenance will help prolong the life of your HOMCOM sewing table.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. For fabric drawers, spot clean with a mild detergent if necessary.
- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Casters:** Keep casters free of dust and debris to ensure smooth movement.
- **Electrical Components:** Ensure the power cord and outlets are free from damage. Do not attempt to repair electrical components yourself.

6. TROUBLESHOOTING

If you encounter issues with your sewing table, refer to the following common solutions:

- **Table does not fold/unfold smoothly:** Check for obstructions in the folding mechanism. Ensure all

hardware is correctly installed and tightened.

- **Casters do not roll or lock:** Clean any debris from the caster wheels. Ensure the locking lever is fully engaged or disengaged.
- **Power outlets/USB ports not working:** Verify that the table's main power cord is securely plugged into a functional wall outlet. Check if the wall outlet itself is working. Do not attempt to open or repair the power unit.
- **Drawers are stiff or stick:** Ensure the fabric drawers are not overloaded or improperly inserted.

If problems persist, please contact customer support.
