Warhammer 40,000: Combat Patrol: Death Korps of Krieg 10th Edition

Model: 99120105136 | Brand: Games Workshop

INTRODUCTION

This manual provides essential information for the assembly, painting, and gameplay of your Warhammer 40,000 Combat Patrol: Death Korps of Krieg 10th Edition model kit. This set contains 26 plastic miniatures, offering a key selection of Astra Militarum units suitable for starting a new Death Korps of Krieg army or expanding an existing collection. The miniatures are supplied unpainted and require assembly.

SAFETY INFORMATION

This product is rated for ages 14 and up. Please handle small parts with care and keep them away from young children. Use appropriate tools for assembly, such as hobby clippers and plastic glue, and always follow safety guidelines for these tools.

WHAT'S IN THE BOX

Your Warhammer 40,000 Combat Patrol: Death Korps of Krieg 10th Edition box contains:

- 1x Plastic Model Kit (comprising 26 plastic miniatures)
- Bases for all miniatures
- Transfer sheets for detailing your miniatures
- Assembly Guide

SETUP AND ASSEMBLY

Instructions for the assembly of the plastic model kit are included within the box. The miniatures are provided on sprues and require careful removal and assembly using plastic glue. Each miniature is designed with meticulous detail, allowing for dynamic posing and customization.

The kit includes various components for different unit types, such as Inquisitorial Agents, a Ministorum Preacher, an Eversor Assassin, and two Vigilant Squads. The sprues contain individual parts for each model, including weapons, armor, and unique character details. Transfer sheets are also provided to add faction symbols, squad numbers, and other decals to your assembled miniatures.

Assembly Overview Video

Your browser does not support the video tag.

PAINTING AND CUSTOMIZATION

The plastic miniatures are designed for painting, allowing hobbyists to personalize their army. The detailed sculpts provide an excellent canvas for various painting techniques. The included transfer sheets offer a wide range of decals, including numbers and symbols, which can be applied to your models to further enhance their appearance and designate specific units or detachments. These transfers can also be used on other compatible models if you have multiple armies.

GAMEPLAY

This Combat Patrol set is ideal for both Warhammer 40,000 Combat Patrol games and Kill Team engagements. The included units can be run independently in Kill Team or combined for larger Combat Patrol battles. The rules for playing with these units in the Combat Patrol format are available for free on the official Warhammer 40,000 app. This set is a strong pick for narrative players, hobbyists, or anyone looking to add a flexible elite unit to their Imperium collection, or as an entry point into Kill Team with multiple teams in one box.
