SEMBO Technic 911 Carrera RS Model Kit 701102 User Manual

Model: 701102 (911 Carrera RS) | Brand: SEMBO

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your SEMBO Technic 911 Carrera RS Model Kit, model number 701102. This building set is designed for individuals aged 14 years and up, offering a rewarding construction experience and a detailed display model upon completion.

Safety Information

No specific safety warnings are applicable beyond general precautions for small parts. Keep small building elements away from young children to prevent choking hazards. Adult supervision is recommended for younger builders.

PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present in your package:

- Building Elements (various pieces required for the 911 Carrera RS model)
- Instruction Manual (this document)

ASSEMBLY INSTRUCTIONS

Follow these general steps to assemble your SEMBO Technic 911 Carrera RS model. Refer to the included printed instruction booklet for detailed, step-by-step visual guides specific to each building element.

1. **Preparation:** Unpack all building elements and organize them by type or color if desired. Ensure you have a clean, well-lit workspace.
2. **Follow the Booklet:** Begin assembly by carefully following the sequence provided in the dedicated instruction booklet. Each step will illustrate which pieces to connect and where.
3. **Connect Pieces:** Firmly connect the building elements. Ensure each connection is secure to maintain the structural integrity of the model.
4. **Verify Steps:** Periodically review the instruction booklet to confirm that all pieces are correctly placed before proceeding to the next step.
5. **Complete Sub-Assemblies:** The model may involve building smaller sections (sub-assemblies) that are then combined to form the larger structure.

6. **Final Touches:** Once the main structure is complete, attach any remaining decorative or functional elements as indicated in the final steps of the instructions.

OPERATING AND DISPLAY

The SEMBO Technic 911 Carrera RS model is primarily designed as a display piece and for interactive play. While it does not require power, its Technic features allow for certain movements and functions.

- **Display:** Place the finished model on a stable, flat surface away from direct sunlight or extreme temperatures to preserve its condition.
- **Interactive Features:** The model may include functional elements such as working front suspension, steerable wheels, or a realistic chain drive system. Gently manipulate these features to observe their movement. Avoid excessive force.
- **Handling:** When moving the model, support it from the base to prevent accidental detachment of components.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your SEMBO Technic model.

- **Cleaning:** To remove dust, gently wipe the model with a soft, dry cloth. For more stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If storing the model, keep it in a cool, dry place, ideally in its original packaging or a sealed container to protect it from dust and damage.
- **Part Replacement:** In case of lost or damaged parts, refer to the manufacturer's support information for potential replacement options.

TROUBLESHOOTING

This section addresses common issues you might encounter during or after assembly.

- **Missing Pieces:** If you discover missing pieces, double-check the packaging and all surrounding areas. If still missing, contact customer support with details of the missing part(s).
- **Loose Connections:** If parts feel loose, ensure they are fully pressed together according to the instructions. Sometimes, a slight adjustment or re-connection can resolve the issue.
- **Assembly Difficulty:** If a step is difficult, re-examine the instruction booklet carefully. Ensure you are using the correct pieces and orientation. Do not force pieces together, as this can cause damage.
