

## RACE MODEL 701102 (911 Carrera RS)

# SEMBO Technic 911 Carrera RS Model Kit Instruction Manual

Model: 701102 (911 Carrera RS)

Brand: RACE MODEL

## 1. INTRODUCTION

---

Thank you for choosing the SEMBO Technic 911 Carrera RS Model Kit. This detailed building set is designed for enthusiasts aged 14 and up, offering a rewarding construction experience and a stunning display piece upon completion. This manual provides essential information for assembly, care, and understanding your model.

## 2. SAFETY INFORMATION

---

This product is intended for users aged 14 years and up. It contains small parts that may pose a choking hazard for younger children. Adult supervision is recommended during assembly, especially for younger builders. Please keep all packaging materials away from children.

## 3. WHAT'S IN THE BOX

---

Your SEMBO Technic 911 Carrera RS Model Kit includes:

- All necessary building elements (ABS plastic bricks and specialized Technic pieces)
- Detailed graphical instruction booklet

## 4. ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included graphical instruction booklet. Ensure all pieces are correctly identified and connected firmly. Take your time during each step to ensure structural integrity and accurate replication of the model's design.

- **Sorting Pieces:** Before starting, sort the building elements by color and type to facilitate easier assembly.
- **Precision Engineering:** The kit features high-quality ABS plastic pieces designed for a smooth and secure fit. Apply gentle, even pressure when connecting elements.
- **Realistic Design Details:** Pay close attention to the assembly of functional components such as the working front suspension, steering mechanism, and realistic chain drive system, if applicable to your model.

*Image: This image illustrates the assembly process of the SEMBO Technic 911 Carrera RS model kit, showing an adult and a child working together on the build. The instruction manual is visible on the table, surrounded by various building elements.*

## 5. OPERATING AND DISPLAY

Once assembled, your SEMBO Technic 911 Carrera RS model is ready for display. This model is designed as a static display piece, showcasing its intricate details and realistic design. While some components may be functional (e.g., steering, suspension), it is not intended for rough play or high-speed movement.

- **Display Base:** Utilize the sturdy display base (if included) to showcase your finished model securely.
- **Placement:** Place the model on a stable, flat surface away from direct sunlight, extreme temperatures, and high humidity to preserve its condition.

*Image: This image presents the fully assembled SEMBO Technic 911 Carrera RS model car. The blue car with distinctive yellow racing stripes is shown on a simulated race track, highlighting its detailed design and display potential.*

## 6. MAINTENANCE

---

To keep your SEMBO Technic model in excellent condition:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. Avoid using abrasive cleaners or harsh chemicals, as these can damage the plastic.
- **Handling:** Handle the model carefully to prevent accidental detachment of pieces. Avoid dropping or applying excessive force.

## 7. TROUBLESHOOTING

---

- **Missing Pieces:** Carefully check all packaging materials and the building area. If a piece is genuinely missing, please contact customer support with details of the missing part (as identified in the instruction booklet).
- **Pieces Not Fitting:** Ensure you are using the correct pieces for each step. Refer to the instruction booklet's illustrations. Sometimes, pieces may require a firm, but gentle, push to connect properly.

- **Model Instability:** Re-examine the connections in the affected area. Loose connections can lead to instability. Ensure all bricks are fully pressed together.

## 8. SPECIFICATIONS

Feature	Detail
Model Number	701102
Product Dimensions	5 x 5 x 2 inches (12.7 x 12.7 x 5.08 cm)
Item Weight	8 ounces (226.8 grams)
Manufacturer Recommended Age	14 years and up
Material	Durable ABS Plastic
Manufacturer	SEMBO
