Maintenance

To maintain the appearance of your model, periodically dust it with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the plastic. If necessary, a slightly damp cloth can be used for gentle cleaning, followed by immediate drying.

Troubleshooting

- **Missing Pieces:** Carefully check all packaging materials. If a piece is genuinely missing, contact the seller or manufacturer for assistance.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and aligned. Apply gentle, even pressure. Do not force pieces together, as this may cause damage.
- **Model Instability:** Re-examine the connections in the affected area. Ensure all pieces are fully seated and secured according to the instructions.
