LIGE EF21-F

LIGE EF21-F Smart Watch Instruction Manual

MODEL: EF21-F

1. Introduction and Overview

The LIGE EF21-F Smart Watch is a versatile device designed to seamlessly integrate into both business and sporty lifestyles. It features a finely crafted metal case, a vibrant 1.43-inch AMOLED display, and robust health monitoring capabilities. This manual provides essential information for setting up, operating, and maintaining your smartwatch.

ONE WATCH, ENDLESS OCCASIONS, TIMELESS STYLES

2. What's in the Box

- 1 x LIGE EF21-F Smart Watch
- 1 x Stainless Steel Strap
- 1 x Silicone Strap
- 1 x Charging Cable (USB and TYPE-C compatible)
- 1 x Instruction Manual

3. Setup

3.1 Initial Charging

Before first use, fully charge your LIGE EF21-F Smart Watch. Connect the provided charging cable to the magnetic charging points on the back of the watch and to a USB or TYPE-C power source. The 800mAh battery provides over 10 days of battery life and over 30 days of standby time on a full charge.

3.2 App Download and Pairing

To unlock the full functionality of your smartwatch, download the 'FitCloudPro' app on your smartphone. The app is compatible with Android 8.0+ and iOS 12.0+ devices. Scan the QR code displayed on the watch screen or in the manual to download the app. Follow the in-app instructions to pair your watch via Bluetooth.

4. Operating Instructions

4.1 Seamless Communication

The smartwatch features a high-definition Bluetooth calling function, allowing you to answer or reject calls directly from your wrist. A built-in high-quality microphone and speaker ensure clear and smooth conversations. Receive real-time message reminders and notifications from various social media applications directly on your watch.

4.3 Health Monitoring

Stay informed about your well-being with 24/7 health monitoring. The smartwatch tracks heart rate,

sleep patterns, blood oxygen trends, and daily stress levels. While not a medical device, it provides practical insights to help you maintain an active and healthy lifestyle.

Image 8: A man running on a treadmill with his LIGE EF21-F Smart Watch displaying continuous heart rate monitoring, showing different heart rate zones.

4.4 Sports and Fitness Modes

The EF21-F Smart Watch supports over 200 sports modes, accurately tracking every activity. From common activities like running, cycling, and walking to niche sports like yoga, tennis, and golf, this watch records distance, steps, calories burned, heart rate, and other activity data. It provides professional data

analysis to help improve your training results.

5. Maintenance

5.1 Cleaning

Regularly clean your smartwatch and straps to prevent skin irritation and maintain optimal performance. Use a soft, dry cloth to wipe the screen and watch body. For silicone straps, you can use mild soap and water, ensuring it is thoroughly dried afterward. For metal straps, use the provided cleaning cloth.

5.2 Charging

Ensure the charging contacts on the watch and cable are clean and dry before charging. Avoid exposing the charging cable or watch to moisture during charging. Store the watch in a cool, dry place when not in use.

6. Troubleshooting

If you encounter any issues with your LIGE EF21-F Smart Watch, please refer to the troubleshooting section in the included instruction manual. For further assistance, contact our professional customer service team through Amazon.
