SETUP AND PLAYBACK

System Requirements

To enjoy the full 4K UHD experience, ensure you have the following:

- A 4K Ultra HD Blu-ray player. Standard Blu-ray players are not compatible with 4K UHD discs.
- A 4K Ultra HD compatible television or display.
- An HDMI 2.0a/b or higher cable for optimal video and audio transmission.

Disc Handling

Carefully remove each disc from its sleeve by pressing the center hub and lifting the disc by its edges. Avoid touching the playback surface of the disc to prevent fingerprints and scratches.

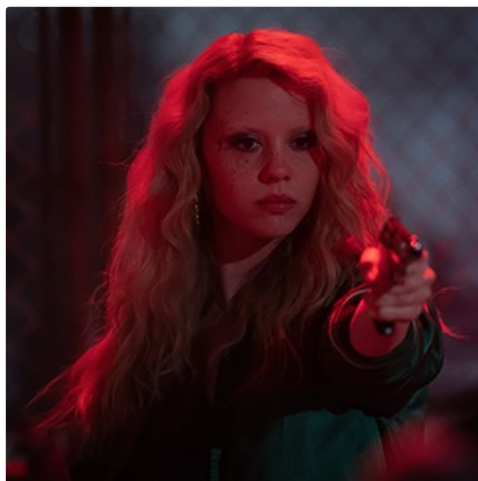

Loading and Playback

1. Insert the desired 4K UHD disc into your compatible Blu-ray player.
2. The player should automatically detect the disc and display the main menu on your screen.
3. Use your player's remote control to navigate the menu options, such as 'Play Movie', 'Scene Selection', 'Special Features', 'Audio Options', and 'Subtitles'.
4. Select your preferred options and begin playback.

SPECIAL FEATURES

Each film in The X Trilogy 4K UHD set includes a variety of special features designed to enhance your viewing experience. These may include:

- **Filmmaker Commentary:** Audio commentary tracks by director Ti West and other crew members.
- **Behind-the-Scenes Content:** Featurettes detailing the production, visual effects, and creative process.
- **Trailers:** Original theatrical trailers for each film.
- **Deleted Scenes:** Unused footage from the films.

MAINTENANCE AND CARE

Disc Care

- Always hold discs by their edges or by placing a finger through the center hole.
- To clean a disc, gently wipe from the center outwards with a soft, lint-free cloth. Do not use abrasive materials or harsh chemicals.
- Store discs in their original sleeves within the box set to protect them from dust, scratches, and direct sunlight.

Packaging Care

- Keep the collector's box set in a cool, dry place away from extreme temperatures and humidity.
- Avoid placing heavy objects on top of the box set to prevent damage to the packaging and internal booklet.

TROUBLESHOOTING

Disc Not Playing or Freezing

- Ensure the disc is clean and free of smudges or scratches. Clean gently if necessary.

- Verify that your player is a 4K Ultra HD Blu-ray player and not a standard Blu-ray or DVD player.
- Check if the disc is inserted correctly into the player.
- Try playing another 4K UHD disc to determine if the issue is with the player or the specific disc.

No Audio or Video

- Confirm all HDMI cables are securely connected between your player, receiver (if applicable), and TV.
- Check your TV and receiver's input settings to ensure the correct HDMI input is selected.
- Verify that your audio system is properly configured and not muted.
- Ensure your TV and player support HDCP 2.2 for 4K content playback.
