THINK 30 275

THINK 30 3-in-1 Convertible Montessori Metal Floor Bed

Model: 275 | Twin Size, White

INTRODUCTION

Thank you for choosing the THINK 30 3-in-1 Convertible Montessori Metal Floor Bed. This versatile bed frame is designed to adapt to your child's growth, offering three configurations: a Fence Floor Bed Frame, a Fence Toddler Bed Frame, and a Teen Bed Frame. Constructed from durable metal, it provides a secure and comfortable sleeping environment. This manual provides essential information for assembly, safe operation, and maintenance of your new bed.

SAFETY INFORMATION

- **Adult Assembly Required:** This product requires adult assembly. Keep small parts away from children during assembly.
- **Weight Capacity:** The bed is designed to support a maximum weight of 350 LBS. Do not exceed this limit.
- **Mattress Thickness:** Use a mattress with a recommended thickness of 6-8 inches for optimal safety and fit.
- **Regular Checks:** Periodically check all bolts and connections to ensure they are tight and secure. Retighten as necessary.
- **Avoid Climbing:** Do not allow children to climb on the bed frame, especially the canopy structure, as this may cause injury or damage to the bed.
- **Placement:** Ensure the bed is placed on a flat, stable surface.

PARTS LIST

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included hardware pack and assembly diagram for a complete list of components. The main components include:

- Bed Frame Panels (Headboard, Footboard, Side Rails)
- Metal Slats
- Canopy Frame Components
- Fencing Panels (for Fence Floor Bed and Fence Toddler Bed configurations)
- Assembly Hardware (bolts, screws, washers, Allen wrench)

ASSEMBLY INSTRUCTIONS

Assembly is required for this bed frame. Follow the step-by-step instructions provided in the packaging. It is recommended

to assemble the bed with at least two adults.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface to prevent scratches.
2. **Assemble Base Frame:** Connect the headboard, footboard, and side rails using the provided hardware. Ensure all connections are finger-tight before fully tightening.
3. **Install Slats:** Place the metal slats onto the designated supports on the side rails. Secure them according to the instructions to form the mattress base.
4. **Attach Canopy Structure:** Assemble the house-shaped canopy frame components and attach them to the main bed frame.
5. **Add Fencing (if applicable):** For the Fence Floor Bed or Fence Toddler Bed configurations, attach the protective fence panels to the bed frame as instructed.
6. **Final Tightening:** Once all components are in place, carefully tighten all bolts and screws using the Allen wrench. Do not overtighten.

OPERATING INSTRUCTIONS: 3-IN-1 CONVERSION

This bed frame offers three convertible configurations to suit different stages of your child's development. Conversion should always be performed by an adult.

1. Fence Floor Bed Frame

This configuration places the mattress directly on the floor with a surrounding fence, providing a safe, low-to-the-ground sleeping area ideal for younger children following Montessori principles.

2. Fence Toddler Bed Frame

For a slight elevation, the bed can be configured as a toddler bed with the mattress raised slightly from the floor, still retaining the protective fence. This is suitable for transitioning children.

3. Teen Bed Frame

As your child grows, the bed can be converted into a standard teen bed frame by removing the lower fence panels and raising the mattress base. This provides ample under-bed clearance for storage.

MAINTENANCE

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the powder-coated finish.
- **Hardware Check:** Regularly inspect all bolts, screws, and connections. Tighten any loose hardware to maintain stability and safety.
- **Avoid Moisture:** Keep the bed in a dry environment to prevent rust or damage to the metal.

TROUBLESHOOTING

- **Squeaking Noises:** If the bed makes squeaking noises, check all bolts and connections. Tighten any loose hardware. Ensure the mattress is properly seated on the slats.

- **Instability:** If the bed feels unstable, verify that all components are correctly assembled and all hardware is securely tightened. Ensure the bed is on a level surface.
- **Missing Parts:** If any parts are missing upon arrival, please contact customer support immediately with your purchase details.

SPECIFICATIONS

Brand	THINK 30
Model Number	275
Size	Twin
Product Dimensions	77.5"L x 40.6"W x 74"H
Material	Metal
Color	White
Finish Type	Powder Coated
Weight Capacity	350 LBS
Box Spring Required	No
Recommended Mattress Thickness	6-8 inches
Assembly Required	Yes
Item Weight	60.4 pounds
