## 2. SAFETY INFORMATION

---

Please read and understand all safety warnings and instructions before using this product. Failure to follow these instructions may result in electric shock, fire, property damage, or personal injury.

- Always ensure proper ventilation when using the fireplace.
- Keep the product away from flammable materials.
- Do not block the ventilation openings of the fireplace.
- Keep the product out of reach of children and pets.
- Always follow the assembly instructions carefully to avoid injury.
- Do not operate the fireplace if the power cord is damaged or frayed.
- Unplug the fireplace from the power outlet when not in use or during cleaning.

## 3. PACKAGE CONTENTS

---

Verify that all components are present and undamaged before beginning assembly. The TV console and electric fireplace are shipped in separate boxes and may arrive at different times.

- TV Stand components (wood panels, hardware)
- Electric Fireplace insert
- Remote control for fireplace
- Assembly Instruction Manual

## 4. ASSEMBLY INSTRUCTIONS

---

The YESHOMY LED Corner Fireplace TV Stand is designed for easy assembly. A detailed instruction manual with diagrams and a package of screws are included with your product. Please follow the step-by-step guide provided in the dedicated assembly manual for proper construction.

### General Assembly Tips:

- Lay out all parts and hardware before starting.
- Use a soft surface to prevent scratching the furniture pieces.
- Ensure all connections are secure but do not overtighten screws.
- The electric fireplace insert is typically installed as one of the final steps.

## 5. OPERATING INSTRUCTIONS

---

### 5.1 Electric Fireplace Operation

The integrated 18-inch electric fireplace offers both aesthetic flame effects and a low-heat mode for warmth. It can be operated using the control panel on the unit or the included remote control.

### Controls:

- **Power Button:** Turns the fireplace on or off.
- **Flame Button:** Adjusts the brightness or style of the 3D flame effect (multiple levels available).
- **Heat Button:** Activates or deactivates the low-heat mode. The heat output can warm feet in a small space without significantly raising room temperature.
- **Temperature Control:** Adjusts the desired temperature setting (e.g., 60-82°F / 99°F).
- **Timer Function:** Sets an automatic shut-off time for the fireplace (e.g., 0.5-9.0 hours or 7-day timer).

## 5.2 LED Mood Lighting

The TV stand features 14-level adjustable LED mood lighting to enhance the ambiance of your room. This lighting is separate from the fireplace flame effect.

## Adjusting Mood Lighting:

Refer to the specific controls on the unit or the remote control for adjusting the color and brightness of the LED mood lighting. Options typically include a range of colors and intensity levels to suit various preferences.

## 6. MAINTENANCE

### 6.1 Cleaning

- **Exterior:** Wipe the surfaces of the TV stand with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Fireplace Insert:** Ensure the fireplace is unplugged and cool before cleaning. Gently wipe the glass and exterior with a soft, lint-free cloth. Do not spray liquids directly onto the unit.

### 6.2 General Care

- Periodically check all screws and connections to ensure they remain tight.
- Avoid placing hot items directly on the wooden surfaces without protective coasters.

- Keep the unit away from direct sunlight and excessive moisture to prevent warping or discoloration.

## 7. TROUBLESHOOTING

If you encounter any issues with your YESHOMY LED Corner Fireplace TV Stand, please refer to the following common troubleshooting steps:

- **No Power:** Ensure the power cord is securely plugged into a working electrical outlet. Check the circuit breaker.
- **Fireplace Not Heating:** Verify that the heat function is activated on the control panel or remote. Ensure ventilation openings are not blocked.
- **Flame Effect Not Working:** Check if the flame effect is turned on and adjust its brightness settings.
- **Remote Control Not Responding:** Replace the batteries in the remote control. Ensure there are no obstructions between the remote and the fireplace sensor.
- **Unstable Unit:** Recheck all assembly connections and tighten any loose screws. Ensure the unit is placed on a flat, level surface.
