

Fenge G04B211-FR

Fenge G04B211-FR Monitor Stand Riser Instruction Manual

Model: G04B211-FR

1. INTRODUCTION

Thank you for choosing the Fenge G04B211-FR Monitor Stand Riser. This product is designed to elevate your monitor or laptop to an ergonomic viewing height, reducing neck and eye strain. It also provides additional storage space to help organize your workspace. This manual provides detailed instructions for assembly, operation, and maintenance to ensure safe and efficient use of your new monitor stand.

2. SAFETY INFORMATION

- Ensure all components are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Do not exceed the maximum weight capacity of 75 kg (165 lbs).
- Place the monitor stand on a stable, level surface to prevent tipping.
- Keep small parts away from children to avoid choking hazards.
- Avoid placing hot items directly on the surface to prevent damage.

3. PACKAGE CONTENTS

Please verify that all the following components are included in your package:

- Main Monitor Stand Sections (L-shaped and straight sections)
- Storage Drawers (if applicable to your configuration)
- Assembly Hardware (screws, connectors, Allen key)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

The Fenge G04B211-FR monitor stand riser is designed for flexible assembly, allowing for various configurations to suit your workspace. Follow these general steps for assembly:

4.1. Unpacking and Preparation

Carefully remove all components from the packaging. Lay them out on a soft, flat surface to prevent damage. Identify each part according to the included parts list (if provided in the physical manual).

4.2. Connecting the Sections

The stand consists of modular sections that can be connected to form different shapes (e.g., straight, L-shape). Align the connecting points of the desired sections and secure them using the provided screws and connectors. Ensure all connections are tight and stable.

Figure 4.2.1: Illustration of connecting the modular sections during assembly.

4.3. Installing Drawers and Shelves

If your configuration includes drawers or additional shelves, slide them into their designated slots. Ensure they move smoothly and are properly seated.

4.4. Final Placement and Stability Check

Once assembled, place the monitor stand on your desk. Gently push down on various parts of the stand to ensure it is stable and does not wobble. Adjust connections if necessary.

5. OPERATING INSTRUCTIONS

Using your Fenge G04B211-FR monitor stand riser is straightforward:

- **Placement:** Position your monitor(s) or laptop(s) on the top surface of the stand. Ensure the weight is evenly distributed and does not exceed the maximum capacity.
- **Ergonomics:** Adjust your seating position so that the top of your screen is at or slightly below eye level. This helps maintain a neutral neck posture.
- **Storage:** Utilize the integrated drawers and open shelves for storing office supplies, documents, keyboards, mice, or other small items to keep your desk tidy.

6. MAINTENANCE

To ensure the longevity and appearance of your monitor stand, follow these maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Dusting:** Regularly dust the stand to prevent accumulation, especially in the storage compartments.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Moisture:** Keep the stand away from excessive moisture or direct sunlight to prevent warping or discoloration.

7. TROUBLESHOOTING

If you encounter any issues with your Fenge G04B211-FR monitor stand, refer to the following common solutions:

- **Wobbling/Instability:** Ensure all screws are fully tightened. Verify that the stand is placed on a flat, even surface.
- **Drawers Sticking:** Check for any obstructions in the drawer slides. Ensure the stand is level.
- **Missing Parts:** If any parts were missing upon arrival, please contact customer support immediately.

8. SPECIFICATIONS

Figure 8.1: Product dimensions and weight capacity.

Feature	Detail
Model Number	G04B211-FR
Dimensions (L x W x H)	111.3 x 46.2 x 13.4 cm (43.8 x 18.2 x 5.3 inches)
Item Weight	8.4 Kilograms (18.5 lbs)
Maximum Load Capacity	75 Kilograms (165 lbs)
Color	Black
Material	Not specified, typically wood composite/MDF with metal accents
Assembly Required	Yes
Number of Tiers	2
Shape	L-Shape (modular for various configurations)
