3. SETUP

3.1 Initial Charging of the Power Bank

Before first use, it is recommended to fully charge your Baseus Mini Power Bank. This ensures optimal performance and battery longevity.

1. Connect one of the built-in USB-C cables or an external USB-C cable to the power bank's input port.
2. Connect the other end of the cable to a compatible USB wall charger (not included).
3. The digital display will show the charging progress. The power bank is fully charged when the display shows 100%.

3.2 Connecting Devices for Charging

The power bank offers multiple ways to connect your devices:

- **Using Built-in USB-C Cables:** Extend the built-in USB-C cables from their storage slots. Plug one end into your device's USB-C port.
- **Using External Cables:** For devices requiring USB-A or an additional USB-C connection, plug your own charging cable into the available USB-A or USB-C output ports on the power bank.

4.3 Recharging the Power Bank

When the power bank's battery level is low, recharge it using a USB wall adapter and a USB-C cable (either built-in or external). The digital display will indicate charging status.

4.4 Pass-Through Charging

The Baseus Mini Power Bank supports pass-through charging, meaning you can charge your devices while the power bank itself is connected to a power source and recharging. This allows for continuous power delivery.

5. MAINTENANCE

5.1 Cleaning

To clean the power bank, gently wipe its surface with a soft, dry cloth. Avoid using harsh chemicals, abrasive cleaners, or getting moisture into the ports.

5.2 Storage

Store the power bank in a cool, dry place away from direct sunlight, extreme temperatures, and humidity. For long-term storage, ensure the power bank is charged to approximately 50-75% to preserve battery health.

5.3 Battery Care

To maximize the lifespan of your power bank's battery:

- Avoid fully discharging the battery frequently.
- Do not expose the power bank to extreme heat or cold.
- Recharge the power bank at least once every three months if not in regular use.
