Pamapic 5-Piece HDPE Outdoor Dining Set

Model: 10959

INTRODUCTION

Thank you for choosing the Pamapic 5-Piece HDPE Outdoor Dining Set. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

The Pamapic 5-Piece HDPE Outdoor Dining Set, featuring a rectangular table and four chairs.

SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the furniture on a soft, clean surface to prevent scratches.
- Do not overtighten screws during initial assembly. Tighten all screws fully only after the entire unit is assembled and aligned.
- Keep children away from the assembly area. Small parts can be a choking hazard.
- Do not stand on the table or chairs.
- Periodically check all connections and tighten hardware as needed to ensure stability.
- Place the furniture on a level surface to prevent tipping.

PACKAGE CONTENTS

Your Pamapic 5-Piece Outdoor Dining Set is delivered in three separate boxes. Please verify that you have received all boxes and their contents before proceeding with assembly.

The dining set components are shipped in three boxes: one for the table and two for the chairs. Ensure all boxes are received.

Expected Contents:

- **Box 1:** 1 x Rectangular Dining Table
- **Box 2:** 2 x Dining Chairs
- **Box 3:** 2 x Dining Chairs
- Hardware Pack (screws, tools)
- Instruction Manual

SETUP AND ASSEMBLY

Follow these steps for proper assembly. It is recommended to have two people for assembly.

General Assembly Tips:

1. **Unpack:** Carefully remove all components from the boxes and lay them out on a protected surface.
2. **Identify Parts:** Refer to the parts list in your manual to identify each component.
3. **Initial Fastening:** When attaching parts with screws, insert all screws into their respective holes first, but only tighten them partially. This allows for minor adjustments and proper alignment.
4. **Final Tightening:** Once all components are correctly aligned and loosely assembled, gradually tighten all screws uniformly until secure. Do not overtighten.
5. **Stability Check:** After assembly, gently shake the furniture to ensure it is stable and all connections are firm.

MAINTENANCE

The Pamapic Outdoor Dining Set is constructed from High-Density Polyethylene (HDPE), a durable and low-maintenance material designed for outdoor use.

Cleaning:

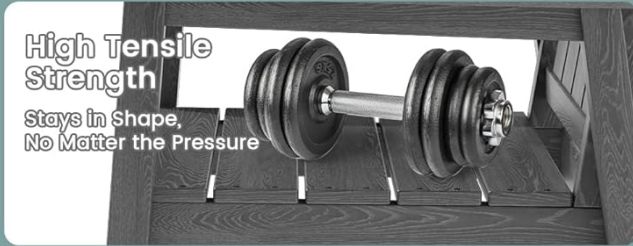

- Wipe with a dry cloth for general cleaning.
- For more stubborn dirt or spills, use a mild soap and water solution with a soft brush or cloth. Rinse thoroughly with clean water and allow to air dry.
- Avoid using harsh chemicals, abrasive cleaners, or scouring pads, as these can damage the surface.

Others

HDPE material offers high strength, water resistance, UV resistance, and is rust-free, ensuring long-lasting outdoor performance.

- **Weather-Resistant:** HDPE is designed to withstand various weather conditions, including sun, rain, and temperature fluctuations.
- **UV Resistant:** The material is fade-resistant under harsh sunlight, helping to maintain its appearance over time.
- **Rust-Free:** Unlike some metal components, HDPE does not rust, contributing to the longevity of the furniture.
- **Recyclable:** HDPE is an eco-friendly choice as it is a recyclable material.

TROUBLESHOOTING

If you encounter any issues with your dining set, please refer to the following common solutions:

- **Wobbling Furniture:** Ensure all screws are securely tightened. If the furniture still wobbles, check that it is placed on a level surface. Adjust leg levelers if available.
- **Difficulty Assembling:** Review the assembly video and instructions carefully. Ensure you are using the correct

hardware for each step. Remember to loosely fasten all screws before final tightening.

- **Missing Parts:** If any parts are missing upon delivery, please contact Pamapic customer support with your purchase details.
- **Surface Stains:** Refer to the cleaning instructions in the Maintenance section. For persistent stains, a slightly stronger, non-abrasive cleaner suitable for plastics may be used, followed by thorough rinsing. Test on an inconspicuous area first.
