

## vidaXL Twin XL Bed Frame

# vidaXL Twin XL Upholstered Bed Frame Instruction Manual

*Model: Twin XL Bed Frame (SKU: 3284772)*

## INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your vidaXL Twin XL Upholstered Bed Frame. Please read this manual thoroughly before assembly and retain it for future reference.

The vidaXL Twin XL Upholstered Bed Frame is designed for single-person use, offering a modern and comfortable sleeping solution. Its light grey fabric and sturdy construction ensure durability and aesthetic appeal in any bedroom setting.

## SAFETY INFORMATION

- Ensure all components are present and undamaged before beginning assembly.
- Assemble the bed frame on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly to avoid damaging components.
- Regularly check all fasteners to ensure they remain tight.
- This bed frame is designed for indoor use only.
- The maximum weight capacity for this bed frame is 551 lbs (250 kg). Do not exceed this limit.
- Keep small parts away from children during assembly.

## SETUP AND ASSEMBLY

The vidaXL Twin XL Upholstered Bed Frame requires assembly. All necessary components and clear instructions are included in the packaging for a straightforward setup process.

### Package Contents

Verify that all parts listed in the assembly instructions are present before starting. If any parts are missing or damaged, contact vidaXL customer support.

### Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface to prevent damage.
2. Identify the main frame sections and connect them according to the provided diagrams.
3. Attach the support legs to the base of the bed frame. Ensure they are securely fastened.
4. Insert the wooden slats into the designated slots on the bed frame. Distribute them evenly for optimal mattress support.
5. Tighten all screws and bolts using the provided tools. Do not overtighten.
6. Once assembled, gently move the bed frame to its desired location.

## OPERATION AND USE

Once assembled, the bed frame is ready for use. Place your Twin XL mattress directly onto the wooden slats. The breathable polyester fabric and slatted support system are designed to provide a comfortable and well-ventilated sleeping surface.

- Ensure the mattress is correctly positioned on the frame.
- Avoid jumping on the bed frame to prevent damage to the slats or frame structure.
- Do not place excessive weight on any single point of the frame.

## MAINTENANCE AND CARE

Proper care will extend the life and appearance of your bed frame.

- **Cleaning the Fabric:** For general cleaning, gently vacuum the upholstered fabric to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner specifically designed for polyester upholstery, testing on an inconspicuous area first. Do not use harsh chemicals or abrasive cleaners.

- **Frame Care:** Wipe the frame components with a soft, damp cloth. Avoid excessive moisture.
- **Regular Checks:** Periodically inspect all bolts and screws to ensure they are tight. Retighten if necessary.
- **Ventilation:** The breathable polyester material promotes airflow. Ensure the room is well-ventilated to prevent moisture buildup.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame feels unstable or wobbly.	Loose fasteners (screws/bolts).	Check and tighten all assembly fasteners. Ensure the bed is on a level surface.
Squeaking noises.	Loose connections or friction between parts.	Retighten all bolts. If squeaking persists, apply a small amount of lubricant (e.g., silicone spray) to contact points between metal or wood components, avoiding fabric.
Slats appear uneven or sag.	Improper slat placement or excessive weight.	Ensure slats are evenly spaced and fully seated in their supports. Verify that the total weight on the bed does not exceed 551 lbs.
Difficulty assembling parts.	Incorrect orientation of parts or missing components.	Refer to the assembly instructions and diagrams carefully. Ensure all parts are correctly oriented. Contact customer support if parts are missing or damaged.

## PRODUCT SPECIFICATIONS

Brand	vidaXL
Model	Twin XL Upholstered Bed Frame
SKU	3284772

EAN	8721102696541
Color	Light Grey
Material	Fabric (100% Polyester)
