Globlazer S82

Globlazer S82 Extra Large Cat Tree Tower User Manual

Model: S82

INTRODUCTION

This manual provides detailed instructions for the assembly, use, and maintenance of your Globlazer S82 Extra Large Cat Tree Tower. Designed for large adult indoor cats, this multi-level tower offers various activity options including scratching posts, cat condos, perches, and hanging baskets. Please read all instructions carefully before assembly and use to ensure safety and proper function.

SAFETY INFORMATION

- Regularly check the firmness of all screws and connections at least once a month to ensure stability.
- Ensure the cat tree is placed on a flat, stable surface to prevent tipping.
- Keep small children away from the cat tree during assembly and ensure they do not climb on it.
- Do not allow pets to chew on non-designated parts of the cat tree.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Basket
- Bed
- Dangling Ball
- Instruction Manual (refer to online video for updated guidance)
- Toy
- All necessary hardware and posts for assembly

ASSEMBLY INSTRUCTIONS

For the most accurate and up-to-date assembly guidance, please refer to the official online assembly video. Note that the

paper instructions may show an older side-center layout for the top post. The new design moves the top post to the 90-degree corner of the fan perch for maximum lounging area. To locate the hidden hole for the top post, simply touch the pointed corner of the fan perch.
