The VECELO Low-Type Compact Dresser Table is designed for versatile use in various living spaces, particularly suitable for smaller rooms.

### 5.1. Multi-functional Design

- **As a Dresser:** Lift the top panel to reveal the mirror and partitioned storage compartments for cosmetics, skincare products, and accessories.
- **As a Low Table:** Close the top panel to use the unit as a compact low table, suitable for dining, working, or as a

living room coffee table. The low-type design (39cm height) creates a sense of openness, making your room appear wider.
