## Feonase 704A3-2

# Feonase King Size Bed Frame Model 704A3-2 Instruction Manual

Upholstered Platform Bed with Faux Leather Headboard

### Introduction

Thank you for choosing the Feonase King Size Bed Frame, Model 704A3-2. This manual provides detailed instructions for assembly, usage, and maintenance to ensure safe and optimal performance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

### Safety Information

To prevent injury and damage to the product, please adhere to the following safety guidelines:

- Be cautious while assembling due to the weight of the components. It is recommended to have two adults for assembly.
- Ensure the bed frame is fully assembled and all fasteners are securely tightened before use.
- Do not exceed the maximum weight capacity of 1000 pounds (approximately 453 kg).
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Place the bed frame on a level surface to ensure stability.
- Avoid standing or jumping on the bed frame.
- Regularly check all bolts and screws to ensure they remain tight. Retighten as necessary.

### Product Dimensions

Understanding the dimensions of your bed frame is essential for proper placement and mattress selection.

| Material | Weight Capacity | Mattress Recommend |
|---|---|---|
| Gray Velvet & Black Frame | 1000 lbs | 8-12 Inches |

Image: Detailed dimensions of the Feonase King Size Bed Frame, showing overall length of 82 inches, width of 78 inches, headboard height of 41 inches, and under-bed clearance of 12 inches.

**Overall Dimensions:** 82.28"L x 78"W x 42"H

**Under-Bed Storage Height:** 12.2 inches

**Recommended Mattress Thickness:** 8-12 inches

**Weight Capacity:** 1000 lbs

## Package Contents

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard (Upholstered Faux Leather)
- Footboard (Upholstered Faux Leather)
- Side Rails (Metal)
- Metal Slats (14 reinforced heavy-duty slats)
- Center Support Legs
- Installation Manual
- Installation Tools & Accessories (Wrench, Allen Key, Screws, Nuts, Washers)

## Assembly Instructions

Assembly is designed to be straightforward, with all parts clearly labeled. It is recommended that two adults assemble the bed frame. Please follow the steps below:

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Refer to the parts list in the included manual to identify each piece. All parts are labeled for easy identification.
2. **Attach Side Rails to Headboard:** Connect the metal side rails to the headboard using the provided bolts and tools. Ensure the connections are secure but do not fully tighten all bolts until the frame is mostly assembled.
3. **Attach Side Rails to Footboard:** Connect the other end of the side rails to the footboard. Align all holes and insert bolts.
4. **Install Center Support Bar and Legs:** Attach the central support bar(s) to the frame. Install the adjustable center support legs, ensuring they are positioned to provide maximum stability.
5. **Place Metal Slats:** Lay the reinforced metal slats across the frame. Secure them to the side rails as indicated in the

detailed manual. Ensure even spacing for optimal mattress support.

6. **Final Tightening:** Once all components are in place and aligned, fully tighten all bolts and screws using the provided tools. Double-check all connections for security.

The assembly process typically takes one adult or teenager approximately 30 minutes. Spare parts are included in case a screw or nut is lost during assembly.

## Usage

The Feonase King Size Bed Frame is designed for comfort and durability. Its minimalist design and high-density foam padding provide a comfortable backrest. The low-profile design makes it easy for seniors or children to get in and out of bed.

### Under-Bed Storage

The bed frame offers 12.2 inches of clearance beneath, providing ample space for storage. This feature helps declutter your living space by allowing convenient storage of various items.

## Maintenance

Proper care will extend the life and appearance of your bed frame.

- **Cleaning:** For the faux leather headboard and footboard, use a soft, damp cloth for cleaning. Avoid harsh chemicals or abrasive cleaners. The manufacturer recommends "Hand Wash Only" for the upholstered parts.
- **Frame Care:** Wipe metal parts with a dry cloth to remove dust.
- **Regular Checks:** Periodically inspect all bolts and connections to ensure they remain tight. Retighten as needed to maintain stability and prevent noise.

## Troubleshooting

If you encounter any issues with your Feonase bed frame, refer to the following common solutions:

- **Squeaking Noise:** If the bed frame develops a squeak, first ensure all bolts and screws are fully tightened. Loose connections are a common cause of noise. Check that the slats are properly seated and not rubbing against the

frame.

- **Instability/Wobbling:** Verify that the bed frame is placed on a level surface. Re-check all connections and tighten any loose bolts. Ensure all support legs are making firm contact with the floor.
- **Damaged or Missing Parts:** If you discover any damaged or missing parts upon unboxing or during assembly, do not proceed with assembly. Contact Feonase customer support for assistance.

## Specifications
