vivo T4R 5G

vivo T4R 5G Smartphone User Manual

Model: T4R 5G

1. Introduction

This manual provides essential information for the safe and efficient use of your vivo T4R 5G smartphone. Please read this manual carefully before using your device to ensure proper operation and to prevent damage.
The vivo T4R 5G is a high-performance smartphone featuring 5G connectivity, a powerful processor, advanced camera system, and a durable design. It operates on the Android operating system.

2. Setup

2.1. Package Contents

Verify that your package contains the following items:

- vivo T4R 5G Smartphone
- (Other accessories such as charger, USB cable, SIM ejector tool, and protective case may vary by region and package.)

2.2. Inserting SIM Cards

1. Locate the SIM card tray on the side of your device.
2. Insert the SIM ejector tool into the small hole next to the tray and press firmly until the tray pops out.
3. Place your Nano-SIM cards into the designated slots on the tray. This device supports Dual SIM functionality.
4. Carefully reinsert the tray into the phone.

Ensure the phone is powered off before inserting or removing SIM cards.

2.3. Initial Charging and Power On

Before first use, fully charge your vivo T4R 5G. Connect the USB Type C cable to the phone's charging port and the other end to a power adapter. The device features a 5500 Milliamp Hours battery.

To power on, press and hold the Power button located on the side of the device until the vivo logo appears on the screen.

3. Operating Your Device

3.1. Basic Navigation

Your vivo T4R 5G features a Touchscreen interface and a 3D Curved Display. Navigate through the Android operating system using gestures and taps. The display is a Curved AMOLED with a maximum resolution of 2392 × 1080 Pixels, 387 Pixels Per Inch (PPI), and a 120Hz Fast Refresh Rate for smooth visuals.

3.2. Camera Usage

The device is equipped with an advanced camera system for capturing photos and videos:

- **Rear Cameras:** Three cameras, including a 48 MP Optical Sensor Resolution main camera.
- **Front Camera:** One front camera.
- **Features:** LED Flash, High Dynamic Range (HDR) shooting mode.
- **Video:** Supports 4K Video Capture Resolution.

3.3. Connectivity

Your vivo T4R 5G supports various connectivity options:

- **Cellular Technology:** 5G for ultra-fast internet speeds.
- **Wireless Network Technology:** LTE.
- **Navigation:** GPS Geotagging Functionality and Supported Satellite Navigation System (GPS).

3.4. Storage and Performance

The device comes with 256 GB of internal Memory Storage Capacity, with Flash Memory Supported Size Maximum of 256 GB. It is powered by a Snapdragon CPU Model with a Processor Speed of 2.6 GHz and 12 GB RAM Memory Installed Size, ensuring smooth multitasking and app performance.

4. Maintenance

4.1. Cleaning Your Device

To clean your smartphone, use a soft, lint-free cloth. Avoid using harsh chemicals, abrasive cleaners, or compressed air, as these can damage the screen or finish. For stubborn smudges, slightly dampen the cloth with water.

4.2. Water and Dust Protection

The vivo T4R 5G features Industry Leading Water & Dust Protection with IP68 and IP69 ratings. While the device is Water Resistant, it is not waterproof. Avoid intentional submersion in water, exposure to pressurized water, or use in extreme conditions. Damage caused by liquid exposure is not covered under warranty.

4.3. Software Updates

Regularly check for and install software updates to ensure your device has the latest features, security patches, and performance improvements. Updates are typically found in the device's settings menu under 'System' or 'Software Update'.

5. Troubleshooting

If you encounter issues with your vivo T4R 5G, try the following basic troubleshooting steps:

- **Device not responding:** Press and hold the Power button for about 10-15 seconds to force a restart.
- **Battery draining quickly:** Check background app usage, reduce screen brightness, disable unnecessary features like GPS or Wi-Fi when not in use.
- **Apps crashing:** Clear the cache and data for the problematic app in Settings > Apps. If the issue persists, reinstall the app.
- **Connectivity issues:** Toggle Airplane Mode on and off. Restart your device. Check your SIM card insertion.
- **Poor call quality:** Ensure you are in an area with good network coverage.

For more complex issues, refer to the official vivo support website or contact customer service.

6. Specifications

Feature	Specification
Brand	vivo

Feature	Specification
Model Series	T4R 5G
Operating System	Android
RAM Memory Installed Size	12 GB
CPU Model	Snapdragon
