Garvee Wood Farmhouse Dining Table (Rustic Gray) - Instruction Manual

Model: 02QBOATH4Z-TLK50cUHVxAgYW6L

1. INTRODUCTION

Thank you for choosing the Garvee Wood Farmhouse Dining Table. This manual provides essential information for the safe assembly, operation, and maintenance of your new dining table. Please read it thoroughly before assembly and retain it for future reference.

This heavy-duty, 70.87-inch long rectangular dining table is designed to comfortably seat 6 to 8 people, making it ideal for family meals and gatherings. Its rustic gray finish and sturdy construction ensure both style and durability.

2. SAFETY INFORMATION

- Always assemble the table on a soft, clean surface to prevent scratches.
- Ensure all screws and bolts are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the table. The maximum tabletop capacity is 400 lbs (181 kg).
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Do not stand or sit on the table.
- Use coasters or placemats to protect the tabletop from heat, moisture, and scratches.
- Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.

3. PACKAGE CONTENTS

Please check that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact Garvee customer support.

Item	Description	Quantity
A	Tabletop	1
B	Table Legs (X-shaped base)	2
C	Support Beams/Brackets	Various
D	Hardware Pack (Screws, bolts, washers, Allen wrench)	1
E	Assembly Guide	1

4. SETUP AND ASSEMBLY

Assembly is required for this dining table. It is recommended that two adults assemble the table. A screwdriver is the only tool recommended for assembly, typically included in the hardware pack.

- Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent damage.
- Attach Legs to Support Beams:** Connect the X-shaped table legs (B) to the support beams/brackets (C) using the provided hardware. Ensure all connections are firm but do not fully tighten screws yet.
- Secure Reinforced Base:** Attach the assembled leg and support structure to the underside of the tabletop (A). Align the pre-drilled holes and secure with screws.
- Final Tightening:** Once all components are loosely assembled, carefully flip the table upright. Then, systematically tighten all screws and bolts using the provided Allen wrench or screwdriver until secure. Do not overtighten.
- Placement:** Position the table in your desired location.

Reinforced Table Base

Thickened MDF Board

Image 4.2: Close-up view of the thickened MDF board tabletop, highlighting its robust construction and 1.2-inch thickness.

5. OPERATING INSTRUCTIONS

The Garvee Wood Farmhouse Dining Table is designed for indoor use as a dining or kitchen table. It offers ample space and robust support for daily use.

- **Seating Capacity:** This table is designed to comfortably seat 6 to 8 individuals.
- **Weight Capacity:** The tabletop has a maximum load capacity of 400 lbs (181 kg). Do not exceed this limit.
- **Space-Saving Design:** Dining chairs can be neatly stored underneath the table when not in use, optimizing space in your dining area.

6. MAINTENANCE

Proper care will extend the life and maintain the appearance of your Garvee dining table.

- **Cleaning:** The table surface features a waterproof and anti-corrosive coating. Wipe spills immediately with a soft, damp cloth. For general cleaning, use a mild soap solution and dry thoroughly.
- **Avoid Harsh Cleaners:** Do not use abrasive cleaners, strong chemicals, or furniture polish containing silicone, as these can damage the finish.
- **Protection:** Use placemats, coasters, and trivets to protect the tabletop from hot dishes, moisture, and scratches.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Humidity Control:** Maintain a consistent humidity level in your home to prevent wood from expanding or contracting.

excessively.

7. TROUBLESHOOTING

If you encounter any issues with your dining table, please refer to the following common solutions:

Problem	Possible Cause	Solution
Table is wobbly	Loose connections; uneven floor.	Check and tighten all screws and bolts. Ensure the table is on a level surface; use furniture pads if necessary.
Scratches or minor damage	Accidental impact; improper handling.	For minor scratches, a furniture repair marker or wood filler matching the rustic gray finish may be used. Always test in an inconspicuous area first.
Difficulty assembling	Incorrect part orientation; missing hardware.	Review the assembly guide carefully. Ensure parts are oriented correctly. Verify all hardware is present. Contact customer support if parts are missing.
