Hasuit CBF-10L

Hasuit Corner Full Lift Up Storage Bed Frame with Charging Station & LED Lights Instruction Manual

Model: CBF-10L

IMPORTANT SAFETY INFORMATION

Read all instructions carefully before assembly and use. Keep this manual for future reference.

- Do not exceed 176 pounds weight limit for the hydraulic lift mechanism.
- Be cautious of moving parts when operating the lift-up mechanism. Ensure hands and objects are clear.
- Exercise care around sharp edges to prevent injury during assembly and use.
- Ensure the bed frame's power cord is properly connected to a grounded outlet.

PACKAGE CONTENTS

Verify all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

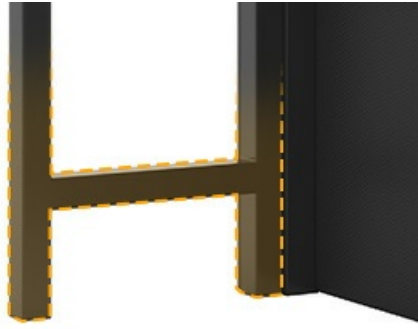

- Corner Full Lift Up Storage Bed Frame components
- Accessories and hardware parts
- Installation Manual (this document)

ASSEMBLY INSTRUCTIONS

Assembly is required. It is recommended to have two people for assembly. Follow the detailed steps provided in the included separate installation manual for precise guidance.

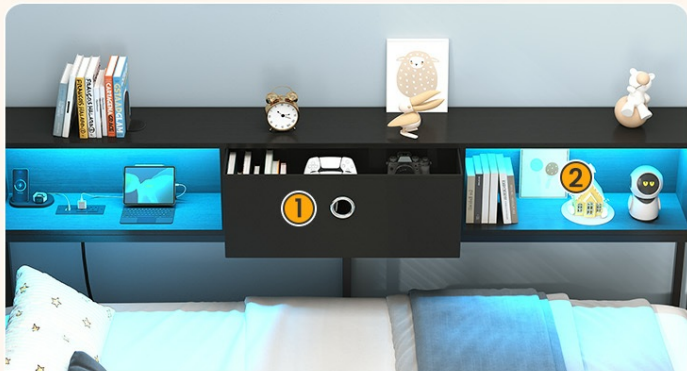

Note: The bed frame can be assembled for either a left or right corner configuration. Refer to the separate installation manual for detailed diagrams and step-by-step instructions for your preferred setup.

Key Assembly Features

Comfort Upholstered Headboard: Features quality, skin-friendly, breathable fabric with high-density foam for soft yet supportive comfort.

Multiple Storage Spaces

- ① flexible & removable fabric drawers
- ② bookcase storage space

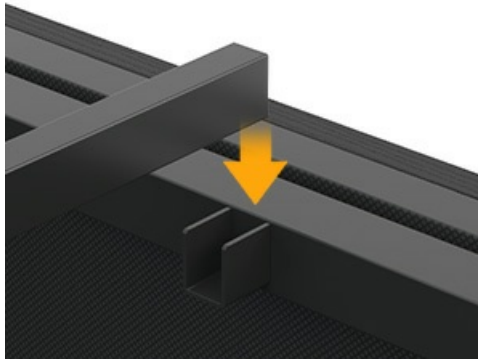

- ③ Raised Height, Huge Under-Bed storage space

Configurable Design: The bed frame allows for flexible assembly, enabling you to position the headboard and bookcase unit on either the left or right side to best fit your room layout.

Multiple Storage Spaces: This bed frame integrates bookcase storage, flexible and removable fabric drawers, and a large raised under-bed storage area, offering extensive organization options.

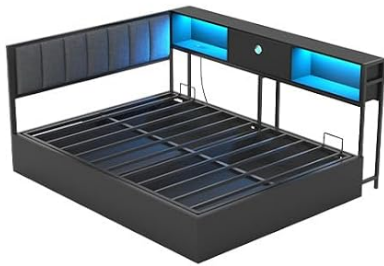

Hydraulic Lifting Mechanism: Equipped with high-quality elevators to ensure smooth and safe lifting and lowering of the mattress platform.

OPERATING INSTRUCTIONS

Hydraulic Lift-Up Storage Mechanism

Your browser does not support the video tag.

Video Description: This video demonstrates the smooth operation of the hydraulic lift mechanism, showcasing how the mattress platform can be effortlessly raised to access the spacious under-bed storage compartments. It highlights the ease of lifting and lowering the bed.

Description: The bed features a hydraulic lift system that allows the mattress platform to be raised, providing access to a large storage area beneath the bed. This mechanism is designed for smooth and safe operation, supporting up to 176 pounds.

To access storage, gently lift the mattress platform from the foot end. The hydraulic pistons will assist in raising and holding the platform securely. To close, gently push the platform down until it latches. Ensure hands and objects are clear of moving parts.

Built-in Charging Station

5.2-Foot
[Power Cord]

Description: The bed frame features RGB LED lights integrated into the bookcase shelves, offering over 60,000 colors and various dynamic modes.

The LED lights can be controlled via a button control or a mobile application. Functions include custom brightness, color selection, various style modes (e.g., music mode, microphone mode), and a timer function. Refer to the separate LED light manual for detailed app pairing and control instructions.

MAINTENANCE

Cleaning

- **Frame:** Wipe the bed frame surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Upholstered Headboard:** Spot clean with a mild fabric cleaner as needed. Test on an inconspicuous area first to ensure colorfastness.
- **Dust-Proof Design:** The under-bed storage area is designed to help keep items free from dust and moisture.

Regularly vacuum or wipe the interior to maintain cleanliness.

General Care

- Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary to maintain structural integrity.
- Do not overload the storage compartments or exceed the weight limit of the hydraulic lift mechanism (176 lbs) or the overall frame (900 lbs).
- Keep liquids away from the charging station to prevent electrical hazards.

TROUBLESHOOTING

Hydraulic Lift Mechanism Issues

- **Difficulty Lifting/Lowering:** Ensure no objects are obstructing the mechanism. If the lift feels stiff, check for proper installation of the hydraulic pistons. If the issue persists, contact customer support.
- **Bed Does Not Stay Up:** Verify that the hydraulic pistons are correctly installed and functioning. The mechanism is designed to hold the bed in the raised position. If it fails to do so, contact customer support.

Charging Station Not Working

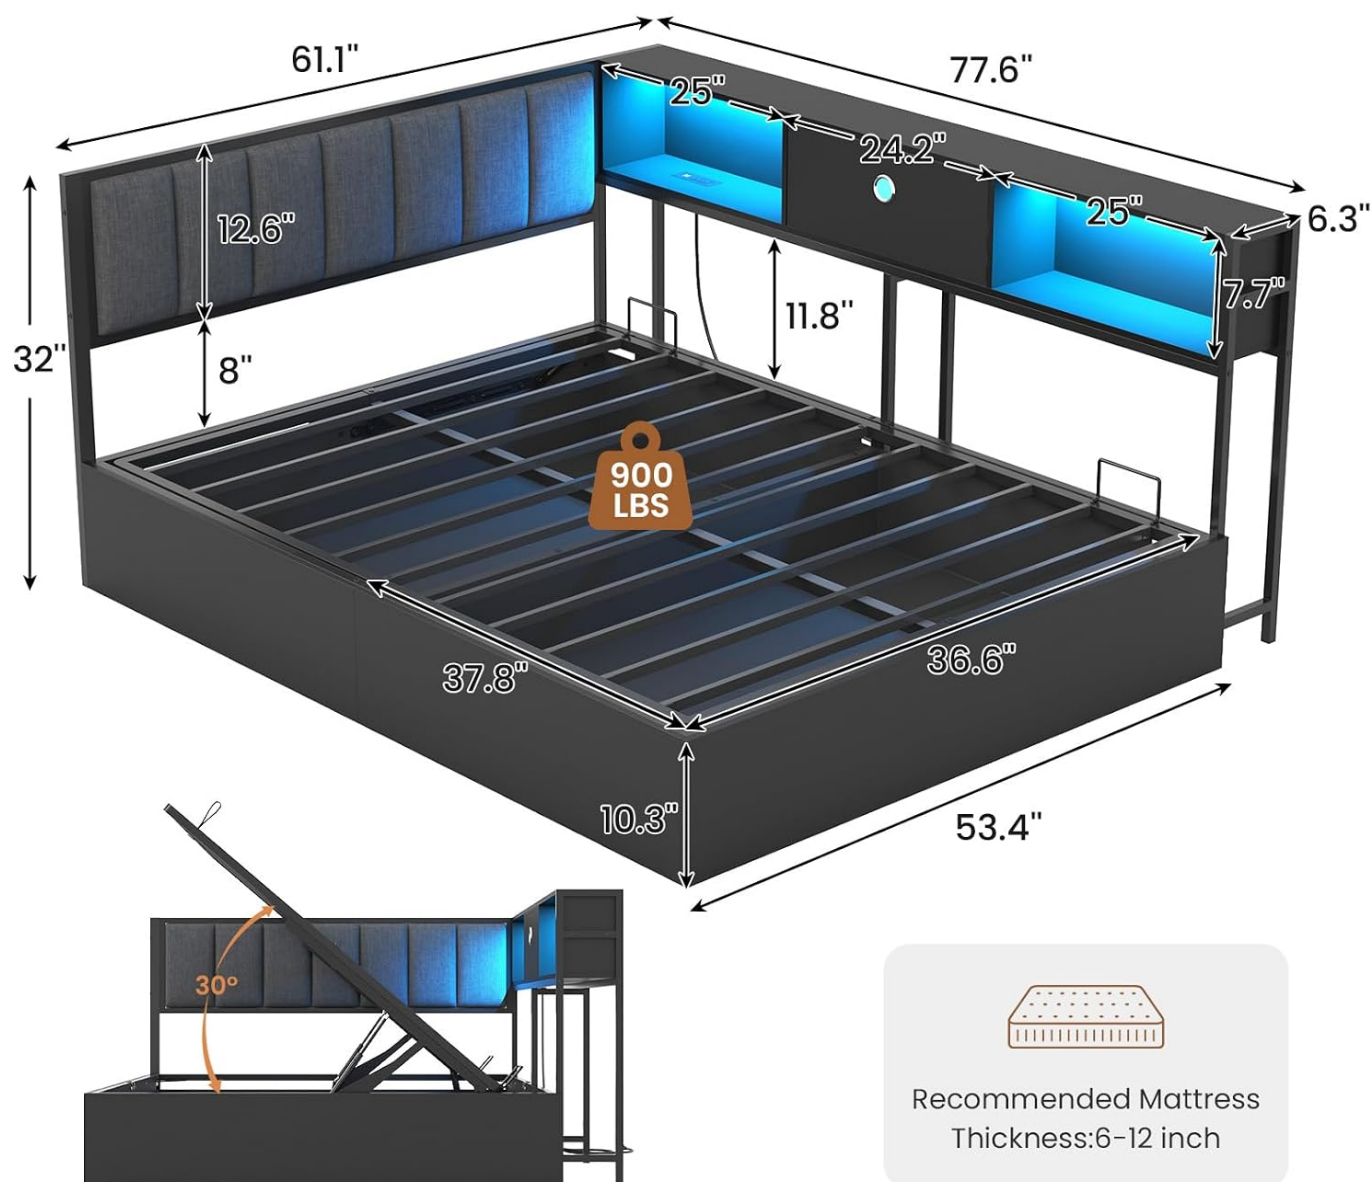

- **No Power:** Check if the bed frame's power cord is securely plugged into a working wall outlet. Test the outlet with another device.
- **USB Ports Not Charging:** Ensure your device's USB cable is functional. Try a different USB port or device.

LED Lights Malfunctioning

- **Lights Not Turning On:** Check the power connection to the LED strip. Ensure the remote control or app is properly paired and has working batteries (if applicable).
- **Incorrect Colors/Modes:** Reset the LED controller or re-pair with the mobile app. Refer to the LED light manual for specific troubleshooting steps.

SPECIFICATIONS

Full Size

Description: This image provides a detailed diagram of the bed frame's dimensions, including length, width, height, and various component measurements.

Feature	Detail
Model Number	CBF-10L
Size	Full
Product Dimensions	77.6"L x 61.1"W x 32"H
Weight Capacity (Hydraulic Lift)	Up to 176 lbs
Frame Weight Capacity	Up to 900 lbs
Charging Station	2 AC Outlets (120V/12A), 2 USB Ports (5V/2A), 5.2-Foot Power Cord
LED Lights	RGB, 60,000+ colors, Button/App Control, Music Sync, Mic Mode, Timing, Brightness Adjustable, Dynamic Modes

Headboard Material	Fabric (Upholstered)
Assembly Required	Yes
