Generic Handheld Vacuum (Wired)

Model: a | Brand: Generic

INTRODUCTION

Thank you for choosing the Generic Handheld Vacuum. This portable and powerful cleaning device is designed for quick and efficient cleanup tasks in both your home and vehicle. Its compact size, strong suction, and versatile attachments make it an essential tool for maintaining a clean environment. Please read this manual thoroughly before operating the vacuum to ensure safe and optimal performance.

PRODUCT OVERVIEW

The Generic Handheld Vacuum is engineered for convenience and effectiveness. Below are the key features and included components:

Key Features:

- Lightweight & Portable:** Weighing just 1.97 lbs, this wired handheld vacuum is easy to carry and maneuver for cleaning various spaces.
- Strong Suction:** Delivers powerful 8-9KPa cyclonic suction to effectively pick up pet hair, crumbs, and fine dust.
- Quiet Operation:** Designed to provide thorough cleaning with minimal noise.
- LED Light:** Integrated LED light assists in illuminating dark areas for improved visibility during cleaning.
- Easy Dust Cup & Washable Filter:** Features a 450mL transparent dust cup with a one-touch release for easy emptying and a washable filter for hassle-free maintenance.

Included Components:

- 1 x Handheld Vacuum Unit (Wired)
- 1 x Brush Attachment
- 1 x Extension Hose
- 1 x Long Nozzle
- 2 x Standard Nozzles
- 1 x Charging Cable
- 1 x Instruction Manual
- 5 x Replacement Filters
