- Clear a spacious area for assembly to prevent damage to the table or your flooring.
- Keep children and pets away from the assembly area.

## Assembly Steps:

1. **Attach the Pedestal Base:** Carefully align the wooden pedestal base with the pre-drilled holes on the underside of the tabletop. Secure using the provided screws and an Allen wrench. Ensure all connections are snug but do not overtighten.
2. **Install Anti-Tip Hardware:** Locate the anti-tip hardware in your package. Follow the specific instructions provided to secure the table to a wall. This step is crucial for stability and safety, especially in households with children.
