

Verbatim 32076

Verbatim Snapback SSD 2TB External SSD User Manual

Model: 32076

1. INTRODUCTION

This manual provides essential instructions for the setup, operation, and maintenance of your Verbatim Snapback SSD 2TB. Please read this guide thoroughly before using the device to ensure optimal performance and longevity.

The Verbatim Snapback SSD is a portable external solid-state drive designed for high-speed data transfer and storage, compatible with various devices including smartphones, PCs, and Macs.

2. WHAT'S IN THE BOX

- Verbatim Snapback SSD 2TB
- U-shaped USB-C cable (for smartphone connection)
- 20 cm USB-C cable (for PC/Mac connection)
- Quick Start Guide
- Magnetic ring (for enhanced stability with MagSafe-compatible devices)
- Nero 3-2-1 backup software (downloadable)

Image: The Verbatim Snapback SSD with its included U-shaped USB-C cable and a standard 20 cm USB-C cable, offering maximum flexibility for direct smartphone mounting and PC/Mac connections.

3. SETUP

3.1 Connecting to a Smartphone (MagSafe Compatible)

1. Ensure your smartphone is MagSafe compatible. If not, use the included magnetic ring for enhanced

attachment.

2. Attach the Verbatim Snapback SSD magnetically to the back of your smartphone.
3. Connect the U-shaped USB-C cable from the SSD to your smartphone's USB-C port.
4. Your smartphone should recognize the SSD as external storage. You can now directly save photos, videos, and other files to the SSD.

3.2 Connecting to a PC or Mac

1. Connect one end of the 20 cm USB-C cable to the Verbatim Snapback SSD.
2. Connect the other end of the USB-C cable to an available USB-C port on your PC or Mac.
3. The operating system should automatically detect the SSD. If prompted, you may need to format the drive for first-time use, especially if switching between different operating systems. Follow the on-screen instructions.

4. OPERATING INSTRUCTIONS

4.1 Data Transfer and Storage

The Snapback SSD supports high-speed data transfer:

- **Read Speed:** Up to 2000 MB/s
- **Write Speed:** Up to 1800 MB/s
- **Interface:** USB 3.2 Gen 2x2 (up to 20 Gbps)

These speeds allow for rapid transfer of large files, including 4K videos and high-resolution images.

4.2 4K Video Recording

The Snapback SSD is ideal for content creators, supporting direct storage of Apple ProRes 4K video recording at up to 60 frames per second (fps) from compatible smartphones. This feature helps avoid internal storage limitations on your device.

4.3 Compatibility

The Verbatim Snapback SSD is compatible with:

- iPhone 15 and later models (with USB-C)
- Android devices (with USB-C)
- macOS operating systems
- Windows operating systems

5. MAINTENANCE

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the exterior of the SSD. Avoid using liquid cleaners or solvents.
- **Storage:** Store the SSD in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** While durable, avoid dropping the device or subjecting it to strong impacts.
- **Ejection:** Always safely eject the SSD from your computer or smartphone before disconnecting to prevent data corruption.

6. TROUBLESHOOTING

6.1 Device Not Recognized

- Ensure the USB-C cable is securely connected to both the SSD and your device.
- Try using a different USB-C port on your computer or smartphone.
- Test with the other included USB-C cable.
- Restart your computer or smartphone.
- For PCs, check Disk Management. For Macs, check Disk Utility to see if the drive is detected but unformatted.

6.2 Slow Transfer Speeds

- Ensure your device's USB-C port supports USB 3.2 Gen 2x2 for optimal performance. Older USB standards will result in lower speeds.
- Close any unnecessary applications running in the background.
- Ensure the SSD is not nearly full, as this can sometimes affect performance.

6.3 Data Corruption

- Always safely eject the SSD before disconnecting it from your device.
- Avoid physical shocks or drops while the SSD is in use.

7. SPECIFICATIONS

Model Number	32076
Digital Storage Capacity	2 TB
Hard Disk Interface	USB-C
Connectivity Technology	USB 3.2 Gen 2x2
Read Speed	Up to 2000 MB/s
Write Speed	Up to 1800 MB/s
Compatible Devices	Desktop, Laptop, Smartphone, Tablet
Enclosure Material	Plastic
Color	Metallic Blue
Item Weight	40 Grams
Dimensions (L x W x T)	7.0 cm x 6.2 cm x 0.8 cm (2.76"L x 2.44"W x 0.32"Th)
Special Features	Portable, MagSafe Compatible
