Vente-unique LOMARETI

Vente-unique LOMARETI Coffee Table Instruction Manual

Model: LOMARETI

1. INTRODUCTION

Thank you for choosing the Vente-unique LOMARETI Coffee Table. This coffee table features an organic curved top with a beige travertine effect and robust legs, combining stability with elegance. Its mineral and asymmetrical design makes it a central piece, ideal for a modern and sophisticated living room. This manual provides essential information for assembly, proper use, maintenance, and specifications to ensure the longevity and enjoyment of your product.

2. SETUP AND ASSEMBLY

The LOMARETI Coffee Table requires assembly. Please follow these general guidelines for a smooth setup process:

- **Unpack Carefully:** Remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches.
- **Verify All Parts:** Check the contents against the included parts list (if provided in the packaging) to ensure all pieces are present.
- **Tools:** Ensure you have the necessary tools for assembly. Typically, a screwdriver and possibly a hammer are required.
- **Follow Instructions:** Refer to the detailed assembly instructions provided within the product packaging. Assemble components in the order specified.
- **Tighten Securely:** Once assembled, ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging the material.

3. OPERATING AND USAGE

The LOMARETI Coffee Table is designed for indoor use in a living room setting. To ensure safe and proper use:

- **Placement:** Position the coffee table on a flat, stable surface to prevent wobbling.
- **Weight Capacity:** The maximum supported load for this coffee table is **15 kg (approximately 33 lbs)**. Do not exceed this weight to prevent damage or instability.
- **Heat Resistance:** The melamine finish offers resistance to heat. However, it is always recommended to use coasters or protective mats under hot items to prevent potential marks or damage over time.
- **Avoid Standing:** Do not stand or sit on the coffee table. It is not designed to support human weight.

4. CARE AND MAINTENANCE

Proper care will help maintain the appearance and extend the life of your LOMARETI Coffee Table:

- **Cleaning:** Wipe the surface regularly with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for furniture surfaces.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or polishes containing silicone, as these can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining, especially on the travertine effect surface.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Humidity:** Maintain a stable room temperature and humidity level to prevent warping or cracking of the wood-based material.

5. TROUBLESHOOTING

If you encounter any issues with your coffee table, consider the following common solutions:

- **Wobbling Table:** Ensure the table is placed on a level surface. Check all assembly screws and tighten them if loose. If the floor is uneven, use furniture pads under the legs to stabilize.
- **Scratches/Marks:** Minor scratches may sometimes be concealed with furniture repair pens or waxes matching the color. For significant damage, contact customer support.
- **Discoloration:** If discoloration occurs, it might be due to prolonged exposure to sunlight or harsh cleaning agents. Review care instructions.

6. SPECIFICATIONS
