eclife 24" Bathroom Vanity Sink Combo (Model THKFSF022)

Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your eclife 24" Bathroom Vanity Sink Combo, Model THKFSF022. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

- Always wear appropriate safety gear, such as gloves and eye protection, during assembly.
- Ensure all connections are secure before use.
- Do not overload drawers or cabinet shelves.
- Keep small parts away from children to prevent choking hazards.
- If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

PACKAGE CONTENTS

Your eclife 24" Bathroom Vanity Sink Combo is shipped in two separate packages. Please verify that all components are present before starting assembly.

1 × PACKAGE B

- 1 × Sink
- 1 × Faucet

Image: Two packages for separate delivery of vanity components.

- **Package A:** Main Cabinet, Hardware Package, Instruction Manual
- **Package B:** Sink, Faucet

SETUP AND ASSEMBLY

Self-assembly is required for this vanity. Follow the numbered instructions and diagrams provided in the hardware package. Ensure you have all necessary tools, typically a screwdriver and wrench (not included).

Dimensions Overview

Image: Product dimensions for the 24-inch vanity.

The vanity measures approximately 18"D x 24"W x 34"H. The sink dimensions are 19.3" x 10.8" x 4.7". Refer to the diagram for detailed measurements of the cabinet, sink, and drawer.

Assembly Steps (General Guidance)

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Cabinet Frame:** Follow the specific instructions in your hardware package to connect the side panels, back panel, and base of the cabinet. Ensure all screws and fasteners are tightened securely.
3. **Install Drawer Slides:** Attach the drawer slides to the cabinet interior according to the instructions.
4. **Assemble Drawer:** Construct the drawer box and install the drawer slides onto the drawer.
5. **Attach Gourd Legs:** Secure the gourd-shaped legs to the base of the vanity cabinet.
6. **Install Doors:** Attach the cabinet doors using the provided hinges. Adjust as necessary for proper alignment.
7. **Place Sink:** Carefully position the ceramic undermount sink onto the cabinet top. Ensure it is properly aligned and secured according to the instructions.
8. **Install Faucet and Drain:** Connect the faucet and drain assembly to the sink. Ensure all plumbing connections are watertight.

9. **Final Checks:** Verify that all parts are correctly assembled and tightened.

OPERATING INSTRUCTIONS

Your eclife bathroom vanity is designed for daily use in a bathroom environment. It features a ceramic undermount sink, a faucet, and ample storage space.

- **Using the Sink and Faucet:** Turn the faucet handle to control water flow and temperature. Ensure the drain stopper is properly seated when filling the sink.
- **Storage:** The cabinet features a laminate-less design to accommodate larger items. The bottom drawer provides additional space for organizing smaller items. Open doors and pull out the drawer gently.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your vanity.

- **Cleaning the Sink:** The ceramic sink has a smooth surface that is easy to clean. Use a soft cloth and mild, non-abrasive cleaner. Rinse thoroughly with water after cleaning. Avoid harsh chemicals that may damage the finish.
- **Cleaning the Cabinet:** Wipe the painted solid wood and MDF surfaces with a soft, damp cloth. Avoid excessive moisture. Do not use abrasive cleaners or scouring pads.
- **Faucet Care:** Clean the faucet with a soft cloth and mild soap. Avoid abrasive cleaners which can scratch the finish.
- **Regular Inspection:** Periodically check all connections for tightness and ensure drawers and doors operate smoothly.

EASY TO CLEAN

Selected Widen Ceramic Sink, Easy Housework

* Self Assemble is Required

TROUBLESHOOTING

Problem	Possible Cause	Solution
Sink arrived broken or damaged.	Shipping damage.	Do not attempt to install. Contact eclife customer support for a replacement.
Cabinet missing a leg pad.	Manufacturing defect or missing part.	Contact eclife customer support for a replacement leg pad.
Faucet finish bubbling or cracking.	Exposure to harsh chemicals or manufacturing defect.	Use only mild cleaners. If issue persists, contact eclife customer support.
Drawer does not stay together or breaks when pulled.	Loose fasteners or incorrect assembly.	Ensure all silver bolts and fasteners are securely tightened. Re-assemble the drawer if necessary, following the instructions carefully.

Problem	Possible Cause	Solution
Faucet is too short or bowl is too shallow.	Product design or personal preference.	These are design characteristics. Ensure proper hand washing technique to avoid splashing.
Plumbing does not fit in the back of the vanity.	Existing plumbing configuration.	Professional plumbing adjustment may be required. Consult a qualified plumber.
