7. MAINTENANCE

To maintain the appearance and longevity of your VECELO Tall Narrow Storage Cabinet:

- For daily maintenance, wipe the cabinet surfaces with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- Promptly wipe away any spills to prevent water damage.
- Regularly check all screws and fittings to ensure they remain tight. Retighten if necessary.

8. TROUBLESHOOTING

If you encounter any issues with your VECELO Tall Narrow Storage Cabinet, consider the following:

- **Wobbling Cabinet:** Ensure the cabinet is on a level surface. Verify that all assembly screws are tightened. Confirm the anti-tip kit is securely installed to the wall.
- **Doors Not Closing Properly:** Check if the magnetic catches are aligned and securely fastened. Ensure no items inside are obstructing the door closure.

- **Drawer Sticking:** Inspect the drawer slides for any obstructions or misalignment. Ensure the drawer is correctly inserted into its runners.

If problems persist, please refer to the Warranty & Support section for assistance.
