

## AJAZZ AKP03

# AJAZZ AKP03 Macro Keypad Stream Controller User Manual

Model: AKP03

## 1. INTRODUCTION

The AJAZZ AKP03 Macro Keypad Stream Controller is a versatile device designed to enhance productivity and streamline workflows for gamers, streamers, and professionals. Featuring six programmable keys with LCD displays, three physical knobs, and three toggle switches, it offers extensive customization options for various tasks.

This manual provides detailed instructions for setting up, operating, and maintaining your AKP03 device, ensuring optimal performance and user experience.

## 2. PRODUCT FEATURES

- **Six Programmable Macro Keys:** Customizable LCD displays for single or continuous actions.
- **Three Physical Knobs:** For precise control over various functions.
- **Three Toggle Switches:** Additional control options.
- **One-Click Operation:** Instant execution of macro commands, text input, application launches, and media control.
- **Intuitive Driver Software:** Drag-and-drop functionality for easy key assignment and property configuration.
- **Wide Compatibility:** Seamless integration with platforms like Streamlabs, Twitch, YouTube, and various software applications on Windows and Mac.
- **Removable 40° Stand:** Provides an ergonomic viewing angle and stable placement.

### 3. PACKAGE CONTENTS

Verify that all items are present in your package:

- AJAZZ AKP03 Macro Keypad Stream Controller
- USB-C to USB-A Cable
- Removable 40° Stand
- User Manual (this document)

### 4. SETUP

#### 4.1 Physical Connection

1. Attach the removable 40° stand to the bottom of the AKP03 for an ergonomic angle, if desired.
2. Connect the provided USB-C cable to the USB-C port on the AKP03.
3. Connect the USB-A end of the cable to an available USB port on your computer (PC or Mac).

4. The device will power on automatically.

## Removable 40° Stand

This Stand Snaps Securely Into the Console, Providing a Clear View of all Buttons While its Strong Base Grip Ensures the Console Stays Firmly in Place During Use.

## 4.2 Software Installation

To unlock the full customization capabilities of your AKP03, you must install the dedicated driver software.

1. Open your web browser and navigate to the official AJAZZ website: [www.a-jazz.com](http://www.a-jazz.com).
2. Locate the 'Driver Download' section.
3. Search for 'AKP03' or browse for the corresponding driver for your model.
4. Download the driver software compatible with your operating system (Windows or macOS).
5. Run the installer and follow the on-screen instructions to complete the installation.
6. Restart your computer if prompted.

Your browser does not support the video tag.

## 5. OPERATING INSTRUCTIONS

### 5.1 Customizing Keys and Knobs

The AKP03's driver software provides a user-friendly interface for customization:

1. Launch the 'Stream Dock AJAZZ' software from your desktop or applications folder.
2. The software will display a visual representation of your AKP03.
3. To assign an action, drag and drop a desired function (e.g., launch application, media control, macro command) from the software's library onto one of the six programmable keys.
4. For knobs, select the knob in the software and assign functions such as volume control, scrolling, or zooming.
5. You can configure properties for each assigned action, including specific file paths, web URLs, or macro sequences.
6. The LCD displays on the keys will update to show the assigned icon or text.

Your browser does not support the video tag.

Video 5.1: Demonstration of assigning actions to keys for launching web pages and software with a single click.

## 5.2 Using Profiles and Pages

The software supports multiple profiles and pages, allowing you to switch between different sets of key assignments for various applications or tasks.

- Create new profiles for specific games, editing software, or streaming setups.
- Within each profile, you can create multiple pages of key assignments, accessible by navigating through the device's buttons or software interface.
- The AKP03 automatically switches to the relevant profile when a linked application is in focus.

Your browser does not support the video tag.

Video 5.2: Illustrates the multi-functional capabilities and profile switching of the AKP03 for various tasks.

## 6. MAINTENANCE

To ensure the longevity and optimal performance of your AJAZZ AKP03, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the device. Avoid abrasive cleaners or solvents.
- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cable Care:** Avoid bending or twisting the USB cable excessively to prevent damage.
- **Software Updates:** Regularly check the AJAZZ website for software and firmware updates to ensure compatibility and access to new features.

## 7. TROUBLESHOOTING

If you encounter issues with your AKP03, refer to the following common troubleshooting steps:

- **Device Not Recognized:**
  - Ensure the USB cable is securely connected to both the AKP03 and your computer.
  - Try connecting to a different USB port.
  - Restart your computer.
  - Verify that the driver software is correctly installed and up to date.
- **Keys Not Responding:**
  - Check the software to ensure keys are properly assigned and the correct profile is active.
  - Ensure the driver software is running in the background.
- **Software Issues:**
  - Reinstall the driver software.
  - Check for software updates on the AJAZZ website.
