## BANTI B-SDE-DJSX-V1

# BANTI B-SDE-DJSX-V1 55x24 Inch Electric Height Adjustable Standing Desk User Manual

Model: B-SDE-DJSX-V1 | Brand: BANTI

## INTRODUCTION

Thank you for choosing the BANTI Electric Height Adjustable Standing Desk. This desk is designed to provide a versatile and ergonomic workspace, allowing you to easily switch between sitting and standing positions. Constructed with a sturdy industrial-grade alloy steel frame and durable synthetic wood panels, it offers stability and quiet operation. This manual provides essential information for the proper assembly, operation, and maintenance of your new desk.

## SAFETY INFORMATION

- Ensure all cables are properly managed and secured to prevent tripping hazards or damage during height adjustments.
- Keep hands and objects clear of moving parts during operation to avoid injury or damage.
- Do not overload the desk beyond its specified weight capacity.
- Only use the provided power adapter and ensure it is connected to a grounded outlet.
- Supervise children and pets around the desk, especially during height adjustments.
- If any unusual noises or malfunctions occur, immediately unplug the desk and contact customer support.

## PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. The package typically includes:

- Desktop panels
- Desk legs and feet (alloy steel frame)
- Motor and control box
- Hand controller with LED display
- Power adapter and cables
- Assembly hardware (screws, bolts, etc.)

- Assembly tools (Allen wrench, screwdriver)
- Instruction manual
- Headphone hook

## ASSEMBLY INSTRUCTIONS

The BANTI standing desk is designed for straightforward assembly. Detailed instructions and all necessary tools are included in the package. An installation video is also available to guide you through the process.

1. Unpack all components and verify against the package contents list.
2. Attach the desk feet to the leg columns using the provided hardware.
3. Connect the crossbar between the leg columns.
4. Assemble the desktop panels if they are in multiple pieces, ensuring proper alignment.
5. Secure the leg assembly to the underside of the desktop.
6. Install the motor and control box, connecting all necessary cables.
7. Mount the hand controller to the desired position on the desk.
8. Plug the power adapter into a wall outlet.

## OPERATING INSTRUCTIONS

### Height Adjustment

The BANTI standing desk features smooth electric height adjustment. Use the up and down arrow buttons on the hand controller to raise or lower the desk. The desk can adjust from 28 inches to 46 inches.

Image: Hand controller with LED display and control buttons.

### Memory Presets

The hand controller includes four programmable height presets. To set a memory position:

1. Adjust the desk to your desired height using the up/down arrows.
2. Press the 'M' button (or similar memory set button, if present) followed by one of the number buttons (1, 2, 3, or 4). The display will confirm the setting.
3. To recall a saved height, simply press the corresponding number button.

### Anti-Collision Technology

The desk is equipped with anti-collision technology. If the desk encounters an obstacle during height adjustment, it will automatically reverse its movement by approximately 2 cm to prevent damage to the desk or objects.

Image: Anti-collision feature demonstration and other desk details.

### Quiet Operation

The desk operates quietly, with noise levels under 50 dB, ensuring a distraction-free environment during

adjustments.

## MAINTENANCE

To ensure the longevity and optimal performance of your BANTI standing desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desktop and frame with a dry, soft cloth. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.
- **Cable Management:** Periodically check and reorganize cables to prevent tangling or interference with the desk's movement.
- **Inspection:** Regularly inspect all screws and connections to ensure they are tight. Retighten if necessary.
- **Motor Care:** Keep the motor area free from dust and debris. Do not attempt to lubricate or disassemble the motor.

## TROUBLESHOOTING

If you encounter any issues with your BANTI standing desk, please refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Desk does not move	Power cable disconnected; motor error	Check power connections. Unplug and replug the desk. If issue persists, contact support.
Uneven height adjustment	Obstruction; uneven load	Clear any obstructions. Redistribute weight evenly on the desktop.
Anti-collision activates frequently	Sensitive setting; frequent obstructions	Ensure the path of movement is clear. Refer to the full manual for sensitivity adjustment if available.
Unusual noises during operation	Loose components; motor issue	Check all assembly screws for tightness. If noise persists, contact customer support.

For issues not listed here or if solutions do not resolve the problem, please contact BANTI customer support.

## SPECIFICATIONS

Feature	Detail
Brand	BANTI
Model Number	B-SDE-DJSX-V1
Product Dimensions	24"D x 55"W x 28"H (Minimum Height)
Minimum Height	28 Inches
Maximum Height	46 Inches
