## PetsCosset GF37

# PetsCosset Outdoor Storage Cabinet GF37 Instruction Manual

Model: GF37

Brand: PetsCosset

## 1. INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your PetsCosset Outdoor Storage Cabinet, Model GF37. Please read this manual thoroughly before assembly and use to ensure safe and efficient operation. This weather-resistant cabinet is designed to provide organized storage for your outdoor essentials.

## 2. SAFETY INFORMATION

---

- Always assemble the cabinet on a flat, stable surface.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload shelves; distribute weight evenly.
- Keep small parts away from children during assembly.
- Use appropriate safety gear (gloves, eye protection) during assembly.
- For added stability, especially in windy conditions, consider anchoring the cabinet to the ground using the provided ground anchors.

### 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

#### Components:

- Wood panels (back, side, doors)
- Metal components (hinges, latches, corrugated panels)
- Adjustable shelves (3 units)
- Waterproof asphalt roof
- Adjustable feet
- Ground anchors
- Assembly hardware (screws, bolts, etc.)

### 4. SETUP AND ASSEMBLY

---

Assembly typically requires two people and a Phillips head screwdriver or electric drill. Follow the step-by-step instructions below.

#### 4.1 Assembly Overview

Video: A 3D animated assembly guide for the outdoor cabinet, demonstrating the sequence of connecting various parts.

#### 4.2 Step-by-Step Assembly

1. **Prepare the Base:** Lay the back panel flat. Attach the back down rod to the bottom of the back panel using screws.
2. **Assemble Side Panels:** Connect the left and right panels to the back panel. Secure them with screws.
3. **Install Front Supports:** Attach the front down rod, front upper rod, and front pillars to complete the main frame structure.
4. **Attach Foot Pads:** Secure the foot pads to the bottom of the back, left, and right panels.
5. **Insert Shelves:** Place the bottom panels and shelf panels into the designated slots. The three shelves are adjustable to suit your storage needs.
6. **Assemble Doors:** Attach the handles to the doors. Then, fix the doors to the left and right panels using hinges and screws.
7. **Install Roof:** Carefully place the roof onto the top of the cabinet and secure it with screws.
8. **Secure with Angle Irons:** For enhanced stability, fix the angle irons to the back, left, and right panels using screws and nails to the ground.

## 5. OPERATING INSTRUCTIONS

### 5.1 Adjustable Shelves

The cabinet features three removable shelves that can be adjusted to different heights or removed entirely to accommodate taller items like rakes or shovels. Simply lift and reposition the shelves into the desired support slots.

### 5.2 Secure Access

The cabinet doors are equipped with magnetic closures for easy access and lockable holes for added security (lock not included). To secure your belongings, simply close the doors and attach a padlock through the

designated holes.

## 6. MAINTENANCE

---

To ensure the longevity and appearance of your PetsCosset Outdoor Storage Cabinet, follow these maintenance guidelines:

- **Regular Cleaning:** Wipe down the exterior with a damp cloth and mild soap as needed to remove dirt and debris. Avoid harsh chemicals that may damage the wood or metal finish.
- **Inspect for Wear:** Periodically check all screws, hinges, and structural components for looseness or damage. Tighten any loose fasteners and replace damaged parts promptly.
- **Wood Treatment:** Although the cabinet is weather-resistant, applying a wood sealant or stain annually can further protect the wood from UV rays and moisture, extending its lifespan.
- **Roof Inspection:** Ensure the asphalt roof remains intact and free of cracks or damage to maintain its waterproof properties.

# Roomy & Weather-Resistant

Your All-Season Outdoor Tool Keeper

Image: The cabinet's asphalt roof providing protection against rain, demonstrating its weather-resistant features.

## 7. TROUBLESHOOTING

- **Water Leakage:** If you notice water inside the cabinet, inspect the roof for any damage or gaps. Ensure all panels are tightly secured and consider applying a silicone sealant to seams if necessary. Verify that the cabinet is level and the doors close completely.
- **Doors Not Closing Properly:** Check hinges for alignment and tightness. Ensure the magnetic closures are clean and unobstructed. Adjust the adjustable feet to level the cabinet if it is on uneven ground.
- **Stability Issues:** Confirm that the cabinet is placed on a firm, level surface. Utilize the provided ground anchors to secure the cabinet, especially in areas prone to strong winds.

## 8. SPECIFICATIONS

Image: Detailed dimensions of the PetsCosset Outdoor Storage Cabinet.

Feature	Detail
Model Number	GF37
Product Dimensions	33.3" L x 21" W x 69" H (Overall)
