HiWEEGO SC9981

HiWEEGO Rose Building Blocks Set SC9981 Instruction Manual

Model: SC9981

1. Introduction

Thank you for choosing the HiWEEGO Rose Building Blocks Set. This set allows you to construct a beautiful floral display featuring roses and an integrated LED light. This manual provides detailed instructions for assembly, operation, maintenance, and safety information to ensure a pleasant and safe building experience.

The set is designed for individuals aged 8 years and older, promoting creative thinking and fine motor skills through interlocking ABS plastic blocks.

2. Safety Information

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.

- Keep all small parts away from young children and pets.
- Do not ingest any building block components.
- Ensure all connections are secure to prevent parts from detaching unexpectedly.
- Dispose of packaging materials responsibly.

3. Package Contents

Before beginning assembly, please verify that all components are present. The package should contain:

- 219 interlocking ABS plastic building blocks (various shapes and sizes)
- 1 LED light strip (battery operated)
- 1 Transparent display cover
- 1 Instruction Manual (this document)

If any parts are missing or damaged, please contact HiWEEGO customer support.

4. Setup and Assembly

Follow these steps to assemble your HiWEEGO Rose Building Blocks Set:

1. **Preparation:** Unpack all components and lay them out on a clean, flat surface. Sort the building blocks by shape and size to facilitate easier assembly.
2. **Base Assembly:** Begin by constructing the base of the display according to the detailed diagrams in the included instruction manual (physical copy).
3. **Rose and Stem Construction:** Assemble the individual rose flowers and their stems. Pay attention to the adjustable petals and leaves, which can be positioned to your preference.
4. **Integrating the LED Light Strip:** As you build the floral arrangement, carefully integrate the LED light strip. Ensure the wiring is routed discreetly and securely. The light strip requires batteries (not included). Insert the

required batteries into the battery compartment as indicated on the light strip unit.

5. **Final Assembly:** Attach the assembled roses and stems to the base. Ensure all connections are firm and stable.
6. **Transparent Cover Placement:** Once the floral arrangement is complete and the LED light strip is integrated, carefully place the transparent display cover over the entire structure.

5. Operating Instructions

The HiWEEGO Rose Building Blocks Set features a battery-operated LED light for enhanced display.

1. **Powering the LED Light:** Ensure batteries are correctly installed in the LED light strip's battery compartment.
2. **Turning On/Off:** Locate the power switch on the LED light strip unit. Flip the switch to the "ON" position to illuminate the roses. Flip it to the "OFF" position to turn off the lights.

6. Maintenance

To keep your HiWEEGO Rose Building Blocks Set in optimal condition:

- **Cleaning:** Gently wipe the blocks and transparent cover with a soft, dry cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled set in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Battery Replacement:** If the LED light dims or stops working, replace the batteries in the light strip unit. Ensure proper polarity when inserting new batteries. Remove batteries if the product will not be used for an extended period.
- **Disassembly:** If you need to disassemble the set, do so carefully to avoid damaging the interlocking parts. Keep all small parts organized for future reassembly.

7. Troubleshooting

If you encounter any issues with your HiWEEGO Rose Building Blocks Set, refer to the following common problems and solutions:

- **LED Light Not Working:**
  - Check if the batteries are correctly installed with the correct polarity.
  - Replace old batteries with new ones.
  - Ensure the power switch is in the "ON" position.
  - Verify that the light strip connections are secure.
- **Blocks Not Connecting Securely:**
  - Ensure you are using the correct blocks for the intended connection as per the assembly manual.
  - Apply firm, even pressure when connecting blocks.
  - Check for any debris or foreign objects obstructing the connection points.
- **Transparent Cover Does Not Fit:**
  - Ensure the floral arrangement is fully contained within the base's perimeter and not extending too high.
  - Verify that the base is correctly assembled and level.

If the problem persists, please contact HiWEEGO customer support for further assistance.
