Tribesigns L-Shaped Executive Desk with Reversible File Cabinet User Manual

Model: ZYL-F1893-F1810

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Tribesigns L-Shaped Executive Desk with Reversible File Cabinet. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.

The Tribesigns L-Shaped Executive Desk and File Cabinet set offers a modern design with ample storage. The desk features a gray and black finish desktop with a black iron frame. The accompanying file cabinet includes two drawers for letter-sized files and five open shelves, and is equipped with smooth-rolling casters for easy repositioning.

SAFETY INFORMATION

Always assemble and anchor the desk and file cabinet to the wall or floor to prevent tipping. Keep the desk and file cabinet away from heat sources and do not place heavy objects on the file cabinet when it is not anchored.

- Ensure all connections are securely tightened before use.
- Do not stand or sit on the desk or file cabinet.
- Keep small parts away from children during assembly.
- Use on a level surface to prevent instability.

SETUP AND ASSEMBLY

The Tribesigns L-Shaped Executive Desk and File Cabinet are designed for straightforward assembly. All necessary parts, tools, and detailed instructions are included in the package. Each part is labeled to facilitate quick and accurate assembly.

Recommended Assembly Steps:

1. **Unpack Components:** Carefully unpack all components and hardware. Verify that all parts listed in the instruction manual are present.
2. **Identify Parts:** Match each part to its corresponding label in the assembly guide.

3. **Assemble Desk Frame:** Begin by assembling the metal frame of the desk, ensuring all screws are finger-tightened initially.
4. **Attach Desktop:** Secure the desktop panels to the assembled frame.
5. **Assemble File Cabinet:** Construct the file cabinet body, including shelves and drawer slides.
6. **Install Drawers and Casters:** Insert the drawers into the cabinet and attach the four smooth-rolling casters to the base of the file cabinet.
7. **Final Tightening:** Once all components are in place, fully tighten all screws and fasteners.
8. **Positioning:** Place the file cabinet on either side of the L-shaped desk as desired, utilizing its reversible design.

Note: Assembly is recommended for **2 people** to ensure stability and ease of handling larger components.

OPERATING INSTRUCTIONS

Using the L-Shaped Desk:

- The L-shaped configuration provides an expansive work surface, ideal for multiple monitors, documents, and office equipment.
- Utilize the integrated desktop space for comfortable computing and writing tasks.

Using the Reversible File Cabinet:

- **File Drawers:** The two bottom drawers are designed to accommodate letter-sized hanging files, keeping your documents organized and accessible.
- **Open Shelves:** The five open shelves provide convenient storage for books, office supplies, or decorative items.
- **Mobility:** The file cabinet is equipped with four casters, allowing it to be easily moved and positioned on either the left or right side of the desk to suit your workspace layout.

MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents, as these can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood surface.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Drawer Slides:** If drawers become stiff, ensure the slides are clean and free of debris. A small amount of silicone lubricant can be applied if needed, but avoid oil-based lubricants.
- **Weight Distribution:** Distribute weight evenly across the desk and shelves to prevent warping or structural stress.

TROUBLESHOOTING

Desk is Wobbly:

- Ensure all assembly screws are fully tightened.
- Verify the desk is placed on a level surface. Adjust floor glides if present.
- Check that all frame components are correctly aligned according to the assembly instructions.

Drawers Do Not Slide Smoothly:

- Confirm that the drawer slides are installed correctly and are not obstructed.
- Check for any debris in the drawer tracks.
- Ensure the drawer box itself is assembled squarely.

Missing or Damaged Parts:

- If you find any parts missing or damaged upon opening the package, please contact Tribesigns customer support immediately for assistance.
