Garvee King Size Rattan Bed Frame User Manual

Model: QHD2K9J9SQuqeTWpFfeywCX8ccu

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Garvee King Size Rattan Bed Frame. Featuring a natural rattan headboard, integrated LED lighting, and a convenient charging station, this bed frame is designed for both aesthetic appeal and practical functionality. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

PRODUCT SIZE

King

2. PRODUCT FEATURES

2.1 Natural Rattan Headboard

The headboard is crafted from natural rattan, providing a unique bohemian aesthetic. Its fine, soft wood grain texture and rich hue introduce natural elements into your bedroom, creating a balanced and pleasant living environment. The rattan material offers a cool and cozy touch, especially in warmer conditions.

Figure 2: Close-up view of the natural rattan headboard. This image emphasizes the intricate handwoven pattern and natural texture of the rattan material.

2.2 User-Friendly Charging Station

The bed frame features a built-in charging area on the headboard. This station includes 1 USB port, 1 Type-C port, and 2 AC outlets, allowing you to conveniently charge tablets, mobile phones, and other portable devices directly from your bed.

Figure 3: Detail of the built-in charging station. This image clearly shows the USB, Type-C, and AC outlets integrated into the headboard for easy access.

2.3 Multi-Functional RGB LED Lighting

Integrated RGB LED lights are located within the headboard, offering up to 6000 color choices. These lights can be controlled via a mobile application, allowing you to adjust color and brightness to create a desired atmosphere for sleeping or relaxation. A music mode is also available, where the lights can synchronize with the rhythm of your music.

2.4 Robust and Long-Lasting Construction

The bed frame is constructed with 6 thick wooden support legs and 12 high-quality solid wood slats, ensuring excellent weight-bearing and pressure-resistant performance. The scientific structure of the slats, with small gaps, ensures even force distribution and provides stable mattress support.

Figure 5: Close-up of the bed frame's solid wood slats and support legs. This image highlights the sturdy construction designed for durability and mattress support.

2.5 Thoughtful Quiet Design

Silent pads are installed between the rattan bed frame and the wooden slats to effectively reduce noise. This design ensures a peaceful environment, minimizing creaking or shifting sounds during rest or movement.

2.6 Spacious Storage Capacity

The 2-tier storage headboard provides convenient space for items such as mobile phones and scented candles. Additionally, the bed frame stands 8 inches off the ground, allowing for storage boxes underneath and facilitating easy cleaning by robotic vacuums.

3. SETUP AND ASSEMBLY

The Garvee bed frame is designed for straightforward assembly. All parts are clearly labeled, and the package includes all necessary screws and tools. Follow the step-by-step instructions provided in the included manual for a smooth setup process. No forcing or adjustments should be required if assembled correctly.

Video 1: Product Overview and Assembly Guide. This video demonstrates the assembly process, highlights key features like the LED lights and charging station, and showcases the bed frame's overall design and stability.

Assembly Steps Overview:

1. Unpack all components and verify against the parts list in the included manual.
2. Attach the side rails to the headboard and footboard using the provided hardware.
3. Install the central support beam and legs.
4. Place the wooden slats onto the frame, ensuring they are securely fastened with the silent pads.
5. Install the charging station into the designated slot on the headboard.

6. Attach and connect the LED light strip to the headboard, securing any excess wiring.

4. OPERATING INSTRUCTIONS

4.1 LED Lights Operation

The RGB LED lights can be controlled via a dedicated mobile application or a simple button on the light strip. Download the recommended app (details in the included LED light manual) to access a full spectrum of colors, brightness adjustments, and dynamic modes, including a music synchronization feature. The button allows for basic on/off and cycling through preset colors.

4.2 Charging Station Usage

To use the charging station, simply plug your device's USB, Type-C, or AC adapter into the corresponding port on the headboard. Ensure the bed frame is connected to a power source. The charging station provides convenient power access for multiple devices simultaneously.

5. MAINTENANCE

- **Wood Frame:** Wipe the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Rattan Headboard:** Gently dust the rattan with a soft brush or cloth. For deeper cleaning, a slightly damp cloth can be used, followed by immediate drying.
- **LED Lights:** Ensure the LED strip and connections are dry. Do not attempt to clean the LED strip with liquids while powered on.
- **Charging Station:** Keep the charging ports free of dust and debris. Do not insert foreign objects into the ports.
- **Slats:** Periodically check the wooden slats for any signs of wear or damage. Ensure they remain securely in place.

6. TROUBLESHOOTING

- **Wobbling/Noise:** Ensure all bolts and screws are tightened securely. The silent pads on the slats are designed to prevent noise; verify they are correctly positioned.
- **LED Lights Not Working:** Check the power connection to the LED strip. Ensure the mobile app is correctly paired and updated. If using the button, try cycling through modes.
- **Charging Station Not Functioning:** Verify the bed frame is properly plugged into a wall outlet. Check the connection of the charging station unit to the bed frame's internal wiring. Test with different devices and cables.
- **Missing/Broken Parts or Installation Issues:** If you encounter any missing or broken parts, or have difficulty with installation, please contact Garvee customer support with your question, a picture of the issue, and your order number. Support typically responds within 24 hours.

7. SPECIFICATIONS

Feature	Detail
Size	King
Product Dimensions	85" L x 77" W x 45" H

Color	Oak
Material	Rattan
Headboard Material	Rattan
Included Components	Headboard
Assembly Required	Yes
Item Weight	104.7 pounds
Charging Station	1 USB port, 1 Type-C port, 2 AC outlets
