Mavo brix 11008

Mavo brix Flower Building Set with Vase (Model 11008) Instruction Manual

Model: 11008 | Brand: Mavo brix

1. INTRODUCTION

Welcome to your Mavo brix Flower Building Set with Vase, Model 11008. This set allows you to construct a beautiful, artificial botanical flower arrangement, complete with a decorative vase. Designed for adults, this kit provides a creative and engaging building experience, resulting in a lasting display piece for your home or office.

The set includes 14 different blossoms, such as roses, lotus, lilies, orchids, daisies, peonies, irises, and hydrangeas, each crafted with vibrant detail. The included blue gradient vase perfectly complements the colorful bouquet, creating a charming centerpiece approximately 12.6 inches tall once assembled.

A WHOLE GARDEN OF EVERLASTING BLOOMS

2. SAFETY INFORMATION

- **Recommended Age:** This building set is recommended for individuals aged 14 years and up.
- **Small Parts:** The set contains small parts which may pose a choking hazard for young children. Keep all components out of reach of children under 3 years of age.
- **Handling:** Handle all pieces with care. Avoid excessive force during assembly to prevent damage to the components.

3. PARTS LIST

Your Mavo brix Flower Building Set includes 956 premium ABS bricks. These pieces form 14 distinct types of blossoms and the accompanying vase. Please refer to the included instruction booklet for a detailed, step-by-step inventory of all components. The main flower types include:

- Roses (Red, Pink)
- Lotus
- Lilies

- Orchids (Purple Phalaenopsis, White Phalaenopsis)
- Daisies / Chrysanthemum
- Foreign Peony
- Iris
- Hydrangea
- Gladiolus
- Leaves and other filler elements
- Vase components

4. SETUP AND ASSEMBLY

Follow the detailed, pictorial instructions provided in the physical instruction manual included with your set. The assembly process is divided into numbered steps, often with components separated into numbered bags to simplify identification.

1. **Unpack Components:** Carefully open the packaging and sort the building blocks. It is recommended to keep parts from different numbered bags separate until needed for the corresponding steps.

2. **Assemble Individual Flowers:** Follow the instructions to construct each of the 14 unique flower types. Pay attention to the orientation and connection points for each petal and stem segment.
3. **Build the Vase:** Assemble the blue gradient vase according to the instructions. Ensure all connections are secure to provide a stable base for your bouquet.
4. **Insert Flowers into Vase:** Once all flowers and the vase are built, carefully insert the flower stems into the designated slots within the vase. The stems, leaves, and petals are adjustable, allowing you to customize the arrangement to your preference.

For a visual guide to the assembly process, please refer to the video below:

Video: This video demonstrates the assembly process for the Mavo brix Flower Building Set, showing how to construct individual flowers and arrange them in the vase.

5. ARRANGING YOUR BOUQUET

One of the key features of this set is the ability to customize your floral display. Each stem, leaf, and petal can be adjusted to create your desired arrangement. Experiment with bending stems, opening or closing petals, and mixing colors to achieve a unique botanical display.

- **Adjusting Stems:** Gently bend the flexible stems to create varying heights and angles for your flowers.
- **Customizing Petals:** Some flower designs allow for slight adjustments to the petals, enabling you to create a more open or closed bloom appearance.
- **Placement:** Consider placing taller flowers towards the center or back of the vase and shorter, fuller blooms towards the front to create depth and balance.

6. CARE AND MAINTENANCE

To ensure your Mavo brix Flower Building Set remains vibrant and dust-free, follow these simple maintenance guidelines:

- **Dusting:** Regularly dust the assembled bouquet and vase with a soft, dry cloth or a soft-bristled brush to prevent dust accumulation.
- **Cleaning:** For more thorough cleaning, gently wipe the pieces with a slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Storage:** If disassembling for storage, keep all pieces in a clean, dry container away from direct sunlight to prevent discoloration.

7. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Missing Pieces:** If you believe a piece is missing, first thoroughly check all packaging materials and bags. Sometimes small pieces can be overlooked. If a piece is genuinely missing, please contact Mavo brix customer support.
- **Loose Connections:** While the pieces are designed to fit securely, some connections might feel looser than others. Ensure pieces are fully pressed together. If a specific part consistently detaches, you may consider using a small amount of plastic model glue for a permanent fix, though this is generally not recommended as it prevents future disassembly.
- **Difficulty with Assembly:** Refer back to the instruction manual. Ensure you are using the correct

pieces for each step and following the diagrams precisely. The assembly video in Section 4 may also provide helpful visual guidance.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions	2 x 2 x 2 inches (assembled, approximate)
Item Weight	2.07 pounds
Model Number	11008
Manufacturer Recommended Age	14 years and up
Number of Pieces	956
Material	Premium ABS Plastic
Manufacturer	Mavo brix
