Speck GEMTONES Infinity GO Speaker User Manual

Model: 150920-3241

INTRODUCTION

The Speck GEMTONES Infinity GO Speaker is a portable Bluetooth speaker designed to deliver immersive audio with an interactive light show. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your speaker.

SAFETY INFORMATION

Please read and follow these safety guidelines to ensure proper use and prevent damage to the device or injury.

- Do not expose the speaker to extreme temperatures, direct sunlight, or high humidity.
- Avoid dropping or subjecting the speaker to strong impacts.
- Keep the speaker away from water and liquids. While splash-resistant, it is not waterproof.
- Do not attempt to disassemble, repair, or modify the speaker. This will void the warranty.
- Use only the provided charging cable or a certified equivalent.
- Keep out of reach of children.

PACKAGE CONTENTS

Verify that all items are present in your package:

- Speck GEMTONES Infinity GO Speaker
- Quick Start Guide
- USB-C Charging Cable (not explicitly listed but implied for charging)

PRODUCT OVERVIEW

Familiarize yourself with the components and controls of your speaker.

Figure 1: Side view of the speaker with control panel. The control panel includes buttons for power, Bluetooth pairing, volume adjustment, and light mode selection.

Figure 2: Bottom view of the speaker, highlighting the USB-C charging port and regulatory markings.

SETUP

1. Charging the Speaker

1. Connect the USB-C charging cable to the charging port located on the bottom of the speaker.
2. Connect the other end of the cable to a compatible USB power adapter (not included).
3. The charging indicator light will illuminate. A full charge provides up to 20 hours of playtime (with lights off, 50% volume).

2. Powering On/Off

- To power on, press and hold the Power button on the control panel until the speaker activates.
- To power off, press and hold the Power button again until the speaker shuts down.

3. Bluetooth Pairing

1. Ensure the speaker is powered on and within range of your Bluetooth device (smartphone, tablet, laptop).
2. Press the Bluetooth button on the speaker's control panel. The Bluetooth indicator light will flash, indicating it is in pairing mode.
3. On your device, go to Bluetooth settings and select "Speck GEMTONES Infinity GO" from the list of available devices.
4. Once connected, the Bluetooth indicator light will become solid.

4. App Installation

For enhanced control and customization, download the Speck Gemtones App.

- Search for "Speck Gemtones App" on the iOS App Store or Google Play Store.
- Install the app and follow the on-screen instructions to connect to your speaker.

OPERATING

1. Playing Audio

- **Bluetooth:** After successful pairing, audio from your connected device will play through the speaker.
- **AUX Input:** Connect an audio source directly using a 3.5mm AUX cable (not included) to the AUX port on the speaker.

AUX Input

Connect your physical audio source using the built-in AUX input

Figure 3: Connecting an external audio device via the AUX input.

2. Volume Control

- Use the Volume Up (+) and Volume Down (-) buttons on the speaker's control panel to adjust the volume.
- Alternatively, adjust the volume directly from your connected device.

3. Light Show Modes

The speaker features an Infinity mirror display with 6 light show modes.

1. Press the Light Mode button (sun icon) on the control panel to cycle through the available light modes.
2. The Speck Gemtones App allows for further customization of light show modes.

4. Wireless Speaker Pairing (Multi-Speaker)

You can pair multiple Infinity GO speakers for a synchronized audio experience.

Wireless Pairing

Pair multiple Infinity Go speakers together to create an immersive audio experience.

Figure 5: Multiple Infinity GO speakers paired wirelessly for expanded sound.

Refer to the Speck Gemtones App or the Quick Start Guide for detailed instructions on multi-speaker pairing.

MAINTENANCE

1. Cleaning

- Wipe the speaker with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, solvents, or aerosol sprays.

2. Storage

- Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- If storing for an extended period, charge the battery periodically to maintain its health.

3. Battery Care

- Avoid fully discharging the battery frequently.
- For optimal battery life, avoid leaving the speaker connected to power for prolonged periods after it is fully charged.

TROUBLESHOOTING

No Power

- Ensure the speaker is charged. Connect it to a power source using the USB-C cable.
- Press and hold the Power button for a few seconds to turn it on.

Cannot Pair via Bluetooth

- Make sure the speaker is in pairing mode (Bluetooth indicator flashing).
- Ensure your device's Bluetooth is enabled and within 10 meters (33 feet) of the speaker.
- Forget the speaker from your device's Bluetooth list and try pairing again.
- Restart both the speaker and your Bluetooth device.

No Sound

- Check the volume levels on both the speaker and your connected device.
- Ensure the speaker is successfully paired via Bluetooth or connected via AUX.
- If using AUX, ensure the cable is fully inserted and functional.

Light Show Not Working

- Press the Light Mode button to cycle through modes.
- Ensure the speaker has sufficient battery charge.
- If using the app, check app settings for light control.
