Mondeer FSDK25

Mondeer Reversible L-Shaped Gaming Desk

Model: FSDK25

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- Ensure all assembly instructions are followed carefully.
- Do not exceed the maximum load capacity of 75 kg (165 lbs) to ensure stability and safety.
- Keep small parts away from children during assembly.
- Periodically check all fasteners to ensure they remain tight.

PRODUCT OVERVIEW

The Mondeer Reversible L-Shaped Gaming Desk is designed for versatility and functionality, suitable for gaming, home office, or study environments. It features integrated LED lighting, a convenient charging station, and an ergonomic monitor stand.

Image: The Mondeer L-Shaped Gaming Desk in a complete setup, showcasing its LED lighting, monitor, keyboard, and a comfortable chair. The desk provides ample space for a computer and accessories.

Key Features:

- **Reversible Design:** Configure the L-shape to your preferred left or right orientation.
- **Integrated LED Lighting:** Customizable lighting effects with multiple modes, brightness levels, and music synchronization, controllable via remote or mobile app.
- **Built-in Charging Station:** Includes 2 AC outlets (250V/10A) and 2 USB ports for convenient device charging.
- **Ergonomic Monitor Stand:** Removable and adjustable monitor riser to reduce neck strain, can be installed on either side.
- **Ample Storage & Organization:** Features a flexible storage shelf, cup holder, headphone hook, and cable organizer box to keep your workspace tidy.
- **Durable Construction:** Made from high-quality particle board and a reinforced metal frame for stability and long-term use.

PACKAGE CONTENTS

Before beginning assembly, please ensure all components and hardware are present and undamaged. Each part is numbered for easy identification.

- Desk panels (numbered)
- Metal frame components (numbered)
- Monitor stand
- Charging station unit
- LED light strip with remote control
- Cup holder, headphone hook, cable organizer box
- Assembly hardware (screws, bolts, tools)
- Instruction manual

SETUP AND ASSEMBLY

Assembly is designed to be straightforward with detailed instructions and numbered parts. A simple electric screwdriver may assist in the process.

1. Unpacking and Preparation:

- Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
- Verify all parts against the provided parts list in the manual.

2. Frame Assembly:

Follow the step-by-step diagrams in the included manual to assemble the metal frame. Ensure all screws are tightened securely but do not overtighten.

3. Desk Panel Installation and Reversibility:

Attach the desk panels to the assembled frame. The L-shape can be configured for either a left or right orientation during this step, depending on your preference and room layout.

Image: A detailed diagram illustrating the dimensions of the L-shaped desk and how it can be assembled in either a left-hand or right-hand configuration to suit different room layouts.

4. Monitor Stand Installation:

The monitor stand is removable and can be installed on either the left or right side of the desk to optimize your viewing angle and reduce neck strain.

Removable Monitor Stand

Image: This image demonstrates the removable monitor stand, showing how it elevates the screen to an ergonomic height and can be positioned on either side of the desk.

5. Storage Shelf and Accessories:

Install the flexible storage shelf, cup holder, headphone hook, and cable organizer box according to your needs. These accessories help maintain a clean and organized workspace.

Image: The flexible storage shelf is shown integrated into the desk, offering convenient space for books, documents, or other essentials, contributing to a clutter-free environment.

OPERATING INSTRUCTIONS

1. LED Lighting System:

The integrated LED light strip offers various modes and brightness levels. Connect the LED strip to the power source as indicated in the assembly manual.

- **Remote Control:** Use the provided remote to power on/off, change colors, adjust brightness, and select lighting modes.
- **Mobile App Control:** Download the designated mobile application (refer to the manual for QR code or app name) to control the lights via your smartphone. The app allows for advanced customization, music synchronization, and voice-activated color changes.

2. Integrated Charging Station:

The desk includes 2 AC power outlets and 2 USB charging ports. Connect the desk's main power cord to a wall outlet.

- Plug your devices into the AC outlets for power.
- Use the USB ports to charge smartphones, tablets, headphones, and other USB-powered devices.

MAINTENANCE

Proper maintenance ensures the longevity and appearance of your desk.

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood surface.
- **Fasteners:** Periodically check and retighten all screws and bolts to maintain structural integrity.
- **Weight Distribution:** Distribute weight evenly across the desk surface and avoid placing excessively heavy items on one spot.

TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common solutions:

- **Desk Wobbles:** Ensure all screws and bolts are securely tightened. Check that the desk is on a level surface. Adjust leveling feet if present.

- **LED Lights Not Working:** Verify that the LED strip is properly connected to the power source and that the power outlet is functional. Check the remote control battery.
- **Charging Ports Not Functioning:** Ensure the desk's main power cord is securely plugged into a live wall outlet. Test with different devices and cables.
- **Missing Parts:** If any parts are missing upon unboxing, contact customer support immediately with your purchase details.
