HOMCOM IT700-050V92LR0631 Manual Reclining Massage Chair User Manual

Model: IT700-050V92LR0631

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Retain this manual for future reference.

- **Warning:** Not suitable for elderly individuals due to the manual recline mechanism.
- Assembly is required. Follow the provided instructions precisely to ensure safe and correct setup.
- Ensure all components are securely fastened before use.
- Do not exceed the maximum weight capacity of 150 kg.
- Keep children and pets away from the chair during assembly and operation.
- Unplug the chair from the power outlet before cleaning or maintenance.

2. PRODUCT COMPONENTS

Before assembly, verify that all parts are present and undamaged. Refer to the assembly diagram for identification.

Image 2.1: Overview of the HOMCOM Manual Reclining Massage Chair, showing its brown PU leather finish, cup holders, side pocket, and the remote control for massage and heating functions. The image highlights the 8 massage points and the lumbar heating area.

- Main Chair Body
- Backrest
- Footrest Assembly
- Base/Swivel Mechanism
- Power Adapter
- Remote Control for Massage and Heat
- Cup Holders (pre-installed)
- Assembly Hardware (bolts, washers, etc.)

3. SETUP AND ASSEMBLY

Follow these steps for proper assembly. It is recommended to have two people for assembly.

1. **Unpacking:** Carefully remove all components from the packaging. Place them on a soft, clean surface to prevent scratches.
2. **Attach the Backrest:** Align the backrest with the main chair body. Slide the backrest into the designated slots until it clicks securely into place. Ensure a firm connection.
3. **Connect Electrical Components:** Locate the power cables for the massage and heating functions. Connect them according to the labels. Ensure all connections are snug.
4. **Attach the Base:** If the base is separate, attach it to the bottom of the chair body using the provided bolts and tools. Tighten all bolts securely.
5. **Final Check:** Verify that all parts are correctly assembled and all connections are secure.

MASSAGGIO VIBRANTE

-  2 Intensità
-  5 Modalità
-  8 Punti

Image 3.1: The HOMCOM Reclining Massage Chair positioned in a living room, demonstrating its aesthetic integration into a home environment. This image shows the chair in its upright position, highlighting its design and features like the cup holders and side pocket.

4. OPERATING INSTRUCTIONS

4.1 Reclining Function

This chair features a manual recline mechanism. To recline:

1. Sit firmly in the chair.
2. Push back gently with your body weight while simultaneously pulling the lever located on the side of the chair (if applicable, or push back directly).
3. The backrest will recline, and the footrest will extend. The chair can recline up to 150 degrees.
4. To return to the upright position, push the footrest down with your legs and lean forward.

Image 4.1: A woman comfortably seated in the HOMCOM Reclining Massage Chair, demonstrating the fully reclined position with the footrest extended. This image illustrates the chair's manual recline capability and its suitability for relaxation.

4.2 Swivel and Rocking Functions

- **Swivel:** The chair is designed to swivel 360 degrees on its base. Simply rotate the chair in the desired direction.
- **Rocking:** The chair also features a gentle rocking motion. To engage, ensure the chair is in the upright position and gently lean back and forth.

4.3 Massage and Heating Functions

Use the provided remote control to operate the massage and heating features.

Image 4.2: A close-up of the remote control for the HOMCOM massage chair, detailing the buttons for power, heat, intensity (high/low), 5 massage modes (pulse, press, wave, auto, normal), and 8 massage points (lumbar, back, thigh). This image provides a clear guide for operating the massage and heating functions.

- **Power Button:** Press to turn the massage and heating functions ON/OFF.
- **Heat Button:** Activates or deactivates the lumbar heating function.
- **Intensity:** Select between High and Low massage intensity.

- **Mode:** Choose from 5 different massage modes (Pulse, Press, Wave, Auto, Normal).
- **Points:** Select specific massage areas: Lumbar, Back, Thigh. The chair has 8 vibration points.

5. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and performance of your massage chair.

- **Cleaning:**
 - Unplug the chair before cleaning.
 - Wipe the PU leather surface with a soft, damp cloth. Use a mild, non-abrasive cleaner if necessary.
 - Avoid harsh chemicals or abrasive materials that could damage the upholstery.
 - Dry thoroughly after cleaning.
- **General Care:**
 - Regularly check all bolts and connections to ensure they remain tight.
 - Keep the chair away from direct sunlight and heat sources to prevent material degradation.
 - Avoid placing sharp objects on the chair that could puncture the upholstery.

6. TROUBLESHOOTING

If you encounter issues with your HOMCOM massage chair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Massage/Heat not working	Power cable disconnected; Remote control battery low (if applicable); Power outlet issue.	Ensure power cable is securely plugged into the chair and a working outlet. Check remote control batteries.
Chair does not recline smoothly	Mechanism obstruction; Insufficient body weight applied.	Check for any objects obstructing the reclining mechanism. Apply firm, consistent pressure when reclining.
Unstable or wobbly chair	Loose assembly bolts; Uneven floor.	Tighten all assembly bolts. Ensure the chair is on a flat, even surface.

If the problem persists after attempting these solutions, please contact HOMCOM customer support.
