## Key Components:

- **1.45-inch TFT Display:** Full-touch color screen for interactive use.
- **Upper Button (Home):** Navigates to the home screen or activates specific functions.
- **Lower Button (Back):** Returns to the previous screen or activates specific functions.
- **LED Flashlight:** Integrated on the side for illumination.
- **Optical Sensors:** Located on the back for heart rate and sleep monitoring.
- **Charging Port:** Magnetic charging pins on the back for power input.
- **Microphone & Speaker:** For Bluetooth calling functionality.

## SETUP

Follow these steps to set up your EIGIIS KE3P Smart Watch.

### 1. Charging the Device

Before first use, fully charge your smartwatch. Connect the magnetic charging cable to the charging port on the back of the watch and plug the USB end into a power adapter (not included).

Figure 4: The EIGIIS KE3P Smart Watch connected to its magnetic charging cable, illustrating its 530mAh battery capacity.

## 2. App Installation and Pairing

Your smartwatch is compatible with iOS 13+ and Android 5.0+ devices. Download the companion app (e.g., 'GloryFit' or as specified in the watch manual) from your device's app store. Follow the in-app instructions to pair your watch via Bluetooth.

## OPERATING INSTRUCTIONS

Learn how to use the various features of your EIGIIS KE3P Smart Watch.

### 1. Built-in GPS Tracking

The smartwatch features built-in GPS with support for six satellite systems for faster and more accurate positioning. Use this feature to track your outdoor activities and routes.

Video 4: Showcases the LED flashlight feature of the EIGIIS KE3P Smart Watch, demonstrating its utility in dark environments.

## 3. Bluetooth Calling & Message Notifications

With a built-in microphone and speaker, you can make and receive calls directly from your wrist. The watch also displays real-time alerts from various applications.

Figure 7: The EIGIIS KE3P Smart Watch showing an incoming Bluetooth call, illustrating its hands-free communication capability.

## 4. 24-Hour Health Monitoring

The smartwatch continuously monitors your heart rate, blood oxygen, and sleep patterns. Sync data to the app for a comprehensive overview of your health metrics.

face options.

## MAINTENANCE

To ensure the longevity and optimal performance of your EIGIIS KE3P Smart Watch, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the watch screen and strap with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and dry thoroughly. Avoid harsh chemicals.
- **Charging:** Use only the provided charging cable. Ensure the charging contacts on both the watch and the cable are clean and dry before charging.
- **Water Exposure:** While the watch is 3ATM waterproof, avoid prolonged exposure to hot water, steam, or high-velocity water. Dry the watch thoroughly after exposure to water.
- **Storage:** Store the watch in a cool, dry place when not in use. Avoid extreme temperatures.

## TROUBLESHOOTING

If you encounter any issues with your EIGIIS KE3P Smart Watch, refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Unable to pair with phone:** Make sure Bluetooth is enabled on your phone and the watch is within range. Restart both the watch and your phone, then try pairing again through the app.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor area on the back of the watch.
- **Notifications not received:** Check app permissions on your phone to ensure the companion app has access to notifications. Verify that notifications are enabled within the watch's settings and the companion app.
- **Short battery life:** Reduce screen brightness, disable unnecessary features (e.g., continuous heart rate monitoring if not needed), and ensure the watch is fully charged regularly.

If the issue persists, please contact customer support.

## SPECIFICATIONS

Feature	Detail
Product Dimensions	6.73 x 4.37 x 1.06 inches
Item Weight	5.6 ounces
Item Model Number	KE3
Batteries	1 C batteries required (included)
Manufacturer	EIGIIS
Standing Screen Display Size	1.45 Inches

Memory Storage Capacity	128 MB
Operating System	iPhone Android
