YITAHOME MAYIHsiX0f

YITAHOME Queen Size Bed Frame with Storage, LED Lights, and Charging Station Instruction Manual

Model: MAYIHsiX0f

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your YITAHOME Queen Size Bed Frame. This bed frame features a 57-inch tall velvet upholstered headboard, four under-bed storage drawers, integrated RGB LED lighting, and a convenient charging station. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

IMPORTANT SAFETY INFORMATION

- Do not load the bed frame with more than 1000 pounds (453 kg).
- Exercise caution around sharp edges during assembly and use.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Keep small parts away from children during assembly to prevent choking hazards.
- Do not attempt to modify the product as this may compromise its structural integrity and safety.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Headboard (57" Tall, Velvet Upholstered)

- Bed Frame Side Rails
- Center Support Beams and Legs
- Wooden Slats
- 4 Under-Bed Storage Drawers with Wheels
- RGB LED Light Strip
- Charging Station (2 AC sockets, 1 USB port, 1 Type-C port)
- Remote Control for LED Lights
- Assembly Hardware (screws, bolts, tools)
- Installation Manual

ASSEMBLY INSTRUCTIONS

For a visual guide, please refer to the official installation video below. It is recommended to assemble the bed frame with at least two people.

Your browser does not support the video tag.

Video: Detailed installation guide for the YITAHOME 57" Tall Headboard Bed with Drawers. This video demonstrates each step of the assembly process.

Step-by-Step Assembly:

1. **Prepare the Headboard:** Attach the support brackets to the back of the headboard using the provided screws. Ensure they are securely fastened.
2. **Install the Charging Station:** Carefully route the charging station cable through the designated opening in the headboard. Secure the charging station into its slot on the headboard using the provided screws.
3. **Assemble the Side Rails:** Connect the side rails to the headboard and footboard using the appropriate hardware. Ensure all connections are tight.
4. **Attach Center Support:** Assemble the center support beams and legs. Securely attach them to the bed frame. These provide crucial support for the mattress.
5. **Install Wooden Slats:** Place the wooden slats across the bed frame, ensuring they are evenly spaced and secured into the designated holders.
6. **Assemble Storage Drawers:** Construct the four under-bed storage drawers. Attach the wheels to the bottom of each drawer.
7. **Integrate Drawers:** Slide the assembled drawers into the designated spaces under the bed frame. Utilize the screw clamps to prevent them from slipping out during use.
8. **Install LED Lights:** Carefully adhere the RGB LED light strip to the designated channel on the headboard and along the side rails. Connect the power cable and ensure it is neatly tucked away.

QUEEN SIZE

Size: 62.2"x87.4"x56.7"
Weight Capacity: 1000lbs

OPERATING INSTRUCTIONS

RGB LED Lights:

The integrated RGB LED lights can be controlled via the included 24-key remote control or a smart application on your mobile device. The lights offer a variety of colors, multiple modes, brightness adjustment, music synchronization, and timing functions.

- **Remote Control:** Use the remote to power on/off, change colors, select modes, and adjust brightness.
- **Smart APP Control:** Download the compatible smart app (refer to the manual for QR code or app name) to access advanced features like music sync and custom timing.

Charging Station:

The headboard features a built-in charging station for your electronic devices.

- **AC Outlets:** Two 125V/12A AC sockets are available for standard power plugs.
- **USB Port:** One 5V/2A USB port for charging compatible devices.
- **Type-C Port:** One 2.5V/2.1A Type-C port for modern devices.

Image: A close-up view of the integrated charging station on the headboard, showing two AC outlets, one USB port, and one Type-C port, with devices connected.

Storage Drawers:

The four under-bed storage drawers are equipped with rollers for smooth operation and screw clamps to keep them securely in place.

- **Access:** Gently pull the drawers out using the integrated handles.
- **Security:** Engage the screw clamps to prevent accidental movement of the drawers.

4 UNDER-BED DRAWERS WITH WHEELS

MAINTENANCE

- **Cleaning:** For the velvet upholstered parts, use a soft, damp cloth and mild soap. Avoid harsh chemicals. For metal parts, wipe with a dry cloth.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as needed to maintain stability and prevent noise.
- **LED Lights:** If LED lights malfunction, check connections. Do not attempt to repair electrical components yourself. Contact customer support.
- **Drawers:** Keep the drawer wheels free of debris to ensure smooth operation.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Bed frame is squeaking.	Loose connections or friction between metal parts.	Tighten all screws and bolts. Ensure the mute sponge strip on the middle beam is correctly positioned.
LED lights are not working.	Loose power connection, remote battery dead, or app not connected.	Check power connections. Replace remote battery. Ensure the app is correctly paired via Bluetooth.
Charging station not providing power.	Power cable not fully plugged in or device incompatibility.	Verify the charging station's power cable is securely plugged into a wall outlet. Test with a different device.
Storage drawers are difficult to open/close.	Debris in wheels or screw clamps engaged.	Clean any debris from the wheels. Ensure screw clamps are disengaged before attempting to move drawers.
