### SETUP INSTRUCTIONS

Assembly of the BOLUO Makeup Vanity Desk is designed to be straightforward. It is recommended to have two people for certain steps to ensure stability and ease of construction.

#### 1. Unpacking and Preparation:

1. Carefully unpack all components and verify against the parts list (not provided in this manual, refer to included assembly guide).

2. Lay out all parts on a clean, soft surface to prevent scratches.
3. Ensure all necessary tools are available. An Allen key is typically included, and a standard Phillips screwdriver may be required.

## 2. Assembly Steps:

Follow the detailed step-by-step instructions provided in the separate assembly manual included with your product. All holes are pre-drilled for easy alignment.

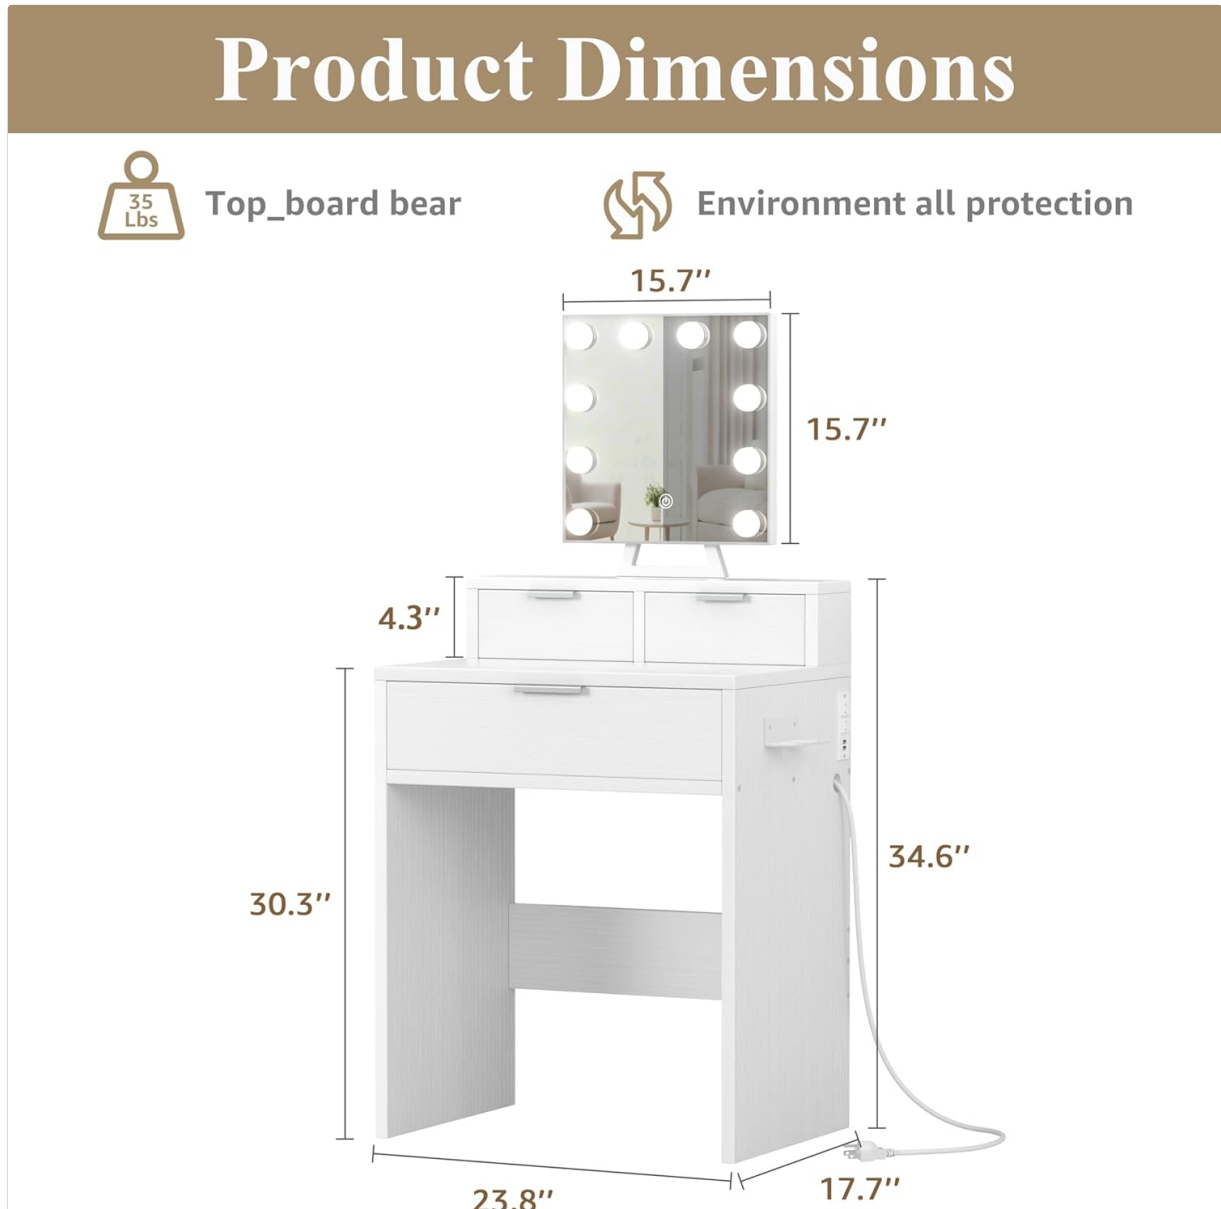

Image: Diagram illustrating the dimensions of the vanity desk and mirror. Overall dimensions are approximately 23.8 inches (W) x 17.7 inches (D) x 34.6 inches (H) for the desk, with the mirror adding to the total height.

## 3. Mirror Installation:

1. Once the desk frame is assembled, carefully place the Hollywood mirror onto the designated area on the tabletop.
2. Secure the mirror according to the assembly instructions.
3. Connect the mirror's power cable to the integrated charging station or a suitable power outlet.

## 4. Charging Station Connection:

1. Ensure the vanity's main power cord (approximately 5.9 ft long) is securely plugged into a wall outlet.
2. The charging station, located on the side of the desk, will then be active.

### 1. Hollywood Mirror with Lights:

- Utilize the large pull-out drawer for larger items like palettes or brushes.
- The two smaller tabletop drawers are ideal for smaller accessories, jewelry, or frequently used items.

#### 4. Hair Dryer Stand:

- The integrated stand on the side of the desk provides a convenient and safe place to store your hair dryer when not in use.

## MAINTENANCE

Proper care will ensure the longevity and appearance of your vanity desk.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood.
- **Electrical Components:** Ensure the vanity is unplugged before cleaning any electrical parts, including the mirror and charging station. Use a dry cloth for these components.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a soft, lint-free cloth.

- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. Clean out any debris that may hinder movement.

## TROUBLESHOOTING

If you encounter any issues, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Mirror lights do not turn on.	Not plugged in; power button not activated; loose connection.	Ensure the vanity's main power cord is securely plugged into a working outlet. Tap the touch power button on the mirror. Check the mirror's connection to the charging station.
Charging station (AC outlets/USB ports) is not working.	Vanity not plugged in; device not properly connected.	Verify the vanity's main power cord is plugged into a live outlet. Ensure devices are fully inserted into the outlets/ports.
Drawers are difficult to open or close.	Obstruction in the drawer slide; misaligned drawer.	Remove the drawer and check for any objects blocking the slides. Ensure the drawer is properly seated on its tracks.
Lights are flickering or dim.	Loose connection; power fluctuation.	Check all power connections. Try plugging the vanity into a different outlet.

If the problem persists after attempting these solutions, please contact customer support.
