Joaxswe Rattan 360° Swivel Jewelry Armoire Cabinet with Full Length LED Mirror

MODEL: B0FT26HWZJ

Brand: Joaxswe

Introduction

This instruction manual provides comprehensive guidance for the Joaxswe Rattan 360° Swivel Jewelry Armoire Cabinet. Learn about its features, assembly, operation, and maintenance to ensure optimal use and longevity of your jewelry storage solution. This cabinet combines a full-length mirror with extensive storage for jewelry, cosmetics, and other accessories, featuring LED lighting and a secure locking mechanism.

Product Features

- **360° Swivel Base:** Allows for easy access to all sides of the cabinet, including rear storage shelves.
- **Full-Length LED Mirror:** Features a 53.6" x 14.6" HD LED mirror with three adjustable lighting modes (cool, warm, natural) and dimmable brightness, controlled by a touch switch.
- **Extensive Jewelry Storage:** Dedicated compartments for earrings (54 stud earring holes), rings (91 ring slots), necklaces (20 necklace rods), bracelets, and other accessories.
- **Interior Mirror & Lighting:** A built-in interior mirror with LED lights for makeup application and detailed viewing.
- **Lockable Design:** Ensures security for valuables with an elegant key.
- **Additional Storage:** Includes a bottom drawer and two rear storage shelves for handbags, cosmetics, and other items.
- **Material:** Constructed from wood with a rattan pattern and velvet inner lining.

Setup Instructions

The Joaxswe Rattan 360° Swivel Jewelry Armoire Cabinet requires assembly. Please follow the included detailed instructions carefully. It is recommended to have a second person assist during the assembly of the main mirror unit due to its weight.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components and hardware are present against the parts list in your manual.
2. **Assemble Base:** Follow the step-by-step diagrams to assemble the circular swivel base and the bottom drawer unit.
3. **Attach Side Supports:** Secure the side support frames to the base.
4. **Mount Mirror Unit:** With assistance, carefully lift and attach the main mirror cabinet to the assembled base and side supports. Ensure all connections are secure.
5. **Connect Power:** Plug the power adapter into the designated port on the cabinet and then into a wall outlet to activate the LED lights.

Operating Instructions

1. **Swivel Function:** Gently rotate the entire cabinet on its 360° swivel base to access the full-length mirror, the interior storage, or the rear shelving.
2. **External LED Mirror Lights:**
 - To turn ON/OFF: Lightly touch the circular touch switch located on the mirror surface.
 - To change light color: Tap the touch switch repeatedly to cycle through cool, warm, and natural light modes.
 - To adjust brightness: Press and hold the touch switch to dim or brighten the lights. Release when desired brightness is achieved.
3. **Accessing Interior Storage:** Use the provided key to unlock the side of the mirror door. Gently pull the door open to reveal the jewelry organizers and interior mirror.
4. **Interior LED Lights:** The interior LED lights automatically illuminate when the door is opened, providing clear visibility for your jewelry and cosmetics.
5. **Using the Foldable Shelf:** The interior features a foldable shelf. Gently pull it down to create a temporary surface for makeup or accessories, and fold it back up when not in use.
6. **Bottom Drawer:** Pull the handle to open the bottom drawer for additional storage.
7. **Rear Storage Shelves:** Rotate the cabinet to access the two shelves located on the back for larger items like handbags or books.

Maintenance

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner to wipe the mirror surfaces. Avoid abrasive cleaners that may scratch the mirror or damage the LED strips.

- **Cleaning the Cabinet:** Wipe the wooden and rattan surfaces with a soft, damp cloth. For stubborn spots, use a mild wood cleaner. Avoid excessive moisture.
- **Interior Care:** Periodically dust the velvet lining and clear compartments with a soft brush or cloth.
- **Hardware:** Check screws and hinges periodically and tighten if necessary to ensure stability.

Troubleshooting

- **LED Lights Not Working:**
 - Ensure the power adapter is securely plugged into both the cabinet and a working wall outlet.
 - Check if the touch switch is responsive. Try tapping or holding it for a few seconds.
- **Cabinet Not Swiveling Smoothly:**
 - Check the base for any obstructions or debris.
 - Ensure the cabinet is placed on a flat, level surface.
- **Door Not Locking:**
 - Ensure the door is fully closed and aligned with the locking mechanism.
 - Verify the key is inserted correctly and turned completely.
