Figure 1: Joaxswe Fluted 360° Swivel Jewelry Armoire Cabinet (Natural Wood Fluted)

The Joaxswe Fluted 360° Swivel Jewelry Armoire Cabinet offers a comprehensive storage solution for jewelry and accessories, integrated with a full-length mirror. Its unique 360° swivel base allows for easy access to both the mirror and the rear storage shelves. The interior features LED lighting, an additional mirror, and various compartments for organized storage. A lockable design ensures the security of your valuables.

2. SAFETY INFORMATION

- Ensure the cabinet is placed on a flat, stable surface to prevent tipping.
- Keep keys out of reach of children.
- Do not overload shelves or compartments to maintain stability and prevent damage.
- Handle the mirror with care to avoid breakage.
- Keep electrical components (LED lights) away from water.
- Assembly requires careful attention to instructions. If unsure, seek assistance.

3. PACKAGE CONTENTS

6. OPERATING INSTRUCTIONS

6.1. Using the LED Lights

- **External Mirror Lights:** Locate the touch switch on the full-length mirror. Tap once to turn on/off. Tap repeatedly to cycle through the three color modes (cool, warm, natural). Press and hold to adjust brightness.
- **Internal Mirror Lights:** The internal LED lights automatically illuminate when the armoire door is opened. They will turn off when the door is closed.

6.2. Swiveling the Armoire

Gently push the side of the armoire to rotate it 360 degrees on its base. Ensure there are no obstructions in its path.

6.3. Locking and Unlocking

Use the provided key to lock or unlock the armoire door. Insert the key into the lock on the side of the mirror unit and turn to secure or release the door.

7. MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to avoid liquid seeping into the edges.
- **Cleaning the Wood Surface:** Wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Internal Velvet Lining:** Use a lint roller or a soft brush to remove dust and debris.
- **LED Lights:** The LED lights are designed for long-term use and generally do not require replacement. If issues arise, contact customer support.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not working.	Power cable disconnected; power outlet issue; light switch off.	Check power cable connection; try a different outlet; ensure touch switch is activated.
Armoire does not swivel smoothly.	Obstruction on the base; uneven surface.	Clear any debris from the swivel base; ensure the armoire is on a level surface.
