Kative 55.1"L Outdoor Large Breed Wooden Dog House

MODEL: KET-PET49-NEW

Brand: Kative

1. Introduction

This instruction manual provides comprehensive guidance for the assembly, operation, and maintenance of your Kative 55.1"L Outdoor Large Breed Wooden Dog House. Designed for medium to extra-large dogs, this dog house offers a comfortable and secure outdoor shelter with features for all-season protection and easy cleaning.

2. Safety Information

- Read all instructions carefully before assembly and use.
- Ensure all components are securely fastened during assembly to prevent injury.
- Regularly inspect the dog house for any loose parts, damage, or wear that could compromise safety.
- Keep small children away from the assembly area and ensure they do not play inside the dog house unsupervised.
- Position the dog house on a stable, level surface to prevent tipping.

3. Package Contents

Verify that all parts are present before beginning assembly:

- Fir Wood Panels (various sizes for walls, floor, roof)
- All-Around Iron Frame components
- Weatherproof Asphalt Roof sections
- PVC Door Curtain
- Adjustable Window Curtain
- Hardware (screws, bolts, hinges, latches)
- Assembly Tools (screwdriver, wrench - may not be included)

4.2 Key Assembly Steps

1. **Prepare the Base:** Lay out the floor panels and attach the iron frame components as per the instructions. Ensure all

screws are tightened.

2. **Assemble Wall Panels:** Connect the side and back wall panels to the base and to each other using the provided hardware.
3. **Install Front Panel:** Attach the front panel, including the door opening, to the assembled walls.
4. **Attach Roof Sections:** Secure the asphalt roof sections to the top of the walls. Ensure the openable roof mechanism is correctly installed.
5. **Add Accessories:** Install the PVC door curtain, adjustable window curtain, and any other decorative elements like the nameplate.

5. Operating Instructions

5.1 All-Season Protection Features

- **PVC Door Curtain:** The transparent PVC curtain at the entrance helps to keep out wind, rain, and snow while allowing your pet easy access.
- **Adjustable Window Curtain:** The side window features an adjustable curtain. Roll it up for increased airflow during warmer weather or roll it down for added insulation and privacy in colder conditions.
- **Weatherproof Asphalt Roof:** The sloped asphalt roof provides excellent protection against rain and snow, ensuring the interior remains dry.

5.2 Openable Top Roof

The top roof of the dog house can be opened and secured with sturdy wooden rods. This feature allows for easy access to the interior for cleaning, placing bedding, or providing a sunbathing spot for your pet on sunny days.

6. Maintenance

Maintaining your dog house ensures a clean and comfortable environment for your pet and extends the product's lifespan.

6.1 Cleaning Instructions

1. **Open the Roof:** Lift the top roof for full access to the interior.
2. **Remove Floor Panels:** The two bottom panels are removable, making it easy to clean the floor area thoroughly.
3. **Clean Surfaces:** Use a pet-safe cleaner and water to wipe down all interior and exterior surfaces. For stubborn dirt, a soft brush can be used.
4. **Dry Thoroughly:** Ensure all parts are completely dry before closing the roof and allowing your pet back inside.

7. Troubleshooting

If you encounter any issues with your dog house, please refer to the following common solutions:

- **Loose Components:** Periodically check all screws and fasteners and tighten them as needed to maintain structural integrity.

- **Water Leakage:** Ensure the asphalt roof sections are properly aligned and sealed. Check for any cracks or damage to the wood panels.
- **Pet Reluctance:** Introduce your pet to the dog house gradually. Place familiar bedding or toys inside. The openable roof can help them adjust by providing an open-air feel initially.
