Vente-unique VAHIRA

Vente-unique VAHIRA Suspended Bathroom Vanity Cabinet Instruction Manual

Model: VAHIRA

1. PRODUCT OVERVIEW

The Vente-unique VAHIRA is a modern, suspended bathroom vanity cabinet designed for space-saving storage. It features a fluted finish, a single hinged door, and an internal shelf.

Image 1.1: The VAHIRA cabinet in a bathroom environment, showcasing its suspended design and beige fluted finish.

Key Features:

- **Space-Saving Design:** Suspended (wall-mounted) installation.
- **Modern Aesthetic:** Contemporary fluted finish in beige.
- **Functional Storage:** One hinged door with an internal shelf.
- **Reversible Door:** Door can be installed to open from the left or right.
- **Durable Material:** Constructed from MDF (Medium-Density Fiberboard).

2. PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, please contact Vente-unique customer support.

- Cabinet panels (top, bottom, sides, back)
- Hinged door with fluted finish
- Internal shelf
- Handle (aluminum)
- Assembly hardware (screws, dowels, cam locks, hinges)
- Wall mounting hardware (screws, wall plugs)

3. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow these instructions carefully. It is recommended to have two people for assembly and installation.

3.1 Tools Required (Not Included):

- Phillips head screwdriver
- Hammer
- Drill with appropriate drill bits (for wall mounting)
- Measuring tape
- Pencil
- Level

3.2 Assembly Instructions:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Cabinet Frame:** Attach the side panels to the top and bottom panels using the provided hardware (e.g., cam locks and dowels). Ensure all connections are secure.
3. **Install Back Panel:** Slide or fasten the back panel into the grooves or attach it to the frame using small nails or screws.
4. **Attach Hinges:** Secure the door hinges to the cabinet frame. Note that the door is reversible, so choose the desired opening direction (left or right) before attaching.
5. **Install Internal Shelf:** Insert the shelf supports into the pre-drilled holes at your desired height and place the shelf on top.
6. **Attach Door:** Mount the door to the hinges on the cabinet frame. Adjust hinges as necessary to ensure proper alignment and smooth operation.
7. **Install Handle:** Attach the aluminum handle to the door using the provided screws.

3.3 Wall Mounting Instructions:

WARNING: Ensure the wall can support the weight of the cabinet and its contents. Use appropriate wall anchors for your wall type (e.g., drywall, concrete, tile). Consult a professional if unsure.

1. **Determine Mounting Location:** Choose a suitable location on your bathroom wall, ensuring it is clear of pipes, electrical wires, and other obstructions.
2. **Mark Drill Holes:** Hold the assembled cabinet against the wall at the desired height and use a level to ensure it is straight. Mark the positions for the wall mounting brackets/holes with a pencil.
3. **Drill Pilot Holes:** Using an appropriate drill bit for your wall type and wall anchors, drill pilot holes at the marked positions.
4. **Insert Wall Anchors:** Insert the wall plugs or anchors into the drilled holes.
5. **Secure Cabinet:** Align the cabinet's mounting points with the installed wall anchors. Secure the cabinet to the wall using the provided screws. Tighten firmly but do not overtighten.
6. **Check Stability:** Gently pull on the cabinet to ensure it is securely fastened to the wall and does not wobble.

4. OPERATING INSTRUCTIONS

The VAHIRA cabinet is designed for straightforward use.

- **Opening/Closing the Door:** Use the handle to gently pull the door open or push it closed. Avoid slamming the door to prevent damage to hinges and the cabinet structure.
- **Utilizing the Shelf:** The internal shelf provides storage for bathroom essentials. Distribute weight evenly on the shelf.
- **Reversible Door:** If you wish to change the door's opening direction, refer to Section 3.2, step 4, and

re-install the hinges accordingly.

5. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your VAHIRA cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for wood or MDF. Avoid harsh chemicals, abrasive pads, or excessive moisture.
- **Drying:** Always dry the cabinet immediately after cleaning or if it gets wet to prevent water damage to the MDF.
- **Hardware Check:** Periodically check all screws and fasteners, especially those for wall mounting and hinges, and tighten them if necessary.
- **Avoid Overloading:** Do not overload the shelf or door with excessive weight, as this can cause structural damage.
- **Sunlight Exposure:** Avoid prolonged direct exposure to strong sunlight, which can cause fading or discoloration over time.

6. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Door Does Not Close Properly:**
 - Check hinge alignment. Adjust the screws on the hinges to realign the door.
 - Ensure no objects are obstructing the door's path.
- **Cabinet Feels Loose on Wall:**
 - Immediately remove any contents from the cabinet.
 - Re-tighten wall mounting screws. If the issue persists, the wall anchors may be insufficient for your wall type or installation was incorrect. Consult a professional.
- **Scratches or Minor Damage:**
 - For minor scratches, a furniture repair pen or wax stick in a matching color may be used.
